To Whom It May Concern

Thank you for reviewing my application. I couldn't be more excited to express my interest in joining your team. With my experience as an educator and my passion for fostering an innovative learning environment, I believe I can make a significant impact in this role.

I earned my Master's Degree in Education from Chaminade University and currently hold a valid California Clear Teaching Credential with EL Authorization. This summer I will enroll in the PASC course through the San Mateo School District to obtain my California Administrative Services Credential.

Throughout my teaching career, I have taken on leadership roles, led staff development sessions, developed a curriculum for an esports program, and supported the implementation of new science and health curricula. Being committed to fostering intellectual, emotional, and social growth in students, I've launched innovative programs such as after-school drama, VEX robotics teams, and fundraisers like St. Baldrick's Foundation events.

With a variety of teaching experiences across various grade levels and backgrounds, I've gained a deep understanding of curriculum requirements, teaching strategies, and culturally responsive learning for a diverse set of learners. My experience in leadership roles, administrative procedures, personnel management, and fostering effective communication with parents brings value to my role as Vice Principal. Moreover, I am eager to build positive relationships with local organizations, creating opportunities for community engagement.

Thank you for considering my application. I look forward to hearing back from you so I can answer any questions about my career in education and discuss ways I can contribute to Burlingame Intermediate School's success.

Warm regards,

A handwritten signature in black ink that reads "Zac Hansel". The signature is written in a cursive, flowing style.
