August 28, 2025

Dear ATS Families,

We made it through the first two days!

It was great to see everyone back and these last two days went better than expected. The teachers did a great job transitioning the students back into school and we hope you enjoy the long Labor Day weekend. As a reminder school is closed tomorrow, Friday, August 29th and Monday, September 1st.

Just a few reminders about September:

September 4th: BOE Meeting
September 11th: Pk-4th Grade Back to School Night
September 18th: 5th-8th Grade Back to School Night
September 15th-19th: Map Testing for all students in grades K-8

More information regarding BTSN and Map testing will be coming out as those events get closer.

We are excited to begin the year with a major technology refresh, and many students have received new Chromebooks. If you have not yet paid for Chromebook insurance, there is still time. Insurance covers accidental damage and costs \$25. The deadline for payment is Friday, September 19. After this date, any damage to a Chromebook will require payment of the full repair cost. This fee applies only to grades that use Chromebooks and can be paid online through PaySchools or by sending a check to school.

Sincerely,

Kevin McPeck
Administrative Principal
Alexandria Twp School District
