

Appendices

Appendix A: Regulation of Faculty of Management on Dissertation Writing

- An original and accurate account of research that meets the academic standard set by Tribhuvan University, FOM guidelines for Master's level dissertation writing.
- Dissertation must be written in English language only.
- Achieved a satisfactory standard of expression and presentation in the report.
- On a topic approved by the Research Department of the respective campus, the candidate should defend dissertation proposal at research committee of the college.
- Not submitted (or not intended to submit) fully or partially to any organizations, institutions for any other academic award.
- Supervised by the faculty member of the campus. However, there could be co-supervisor from outside the campus.
- Duly signed by supervisor, viva voce expert and research committee head.
- Examined by external examiner and viva voce completed at college as a first step of evaluation.
- Students can submit dissertation proposal at 4th semester to respective campus and can work with close supervision of assigned supervisor.
- Students can only attend viva-voce examination after the final examination of 4th semester.
- The time interval between dissertation registration (after proposal defend) and viva voce date should be minimum 2 months (60) days.

College/ research department must keep record of each student's proposal registration date, dissertation submitted date and viva voce date along with dissertation topic.
