

A.P. PSYCHOLOGY

Homework Waiver Form

Requirements:

- Successfully completed one half of a Semester and received an overall Semester Grade of an A (90% or better)
- Parental Permission & Signature on the form below.

I understand that by signing this form, and having my parent(s) sign this form, means that my grade in Mr. Portenga's A.P. Psychology class will be solely determined by class work, projects, quizzes, and tests. All prior homework assignments up to this point will be turned in an "X" or excused mark that counts neither for you nor against you. This could result in an initial slight drop in my grade assuming my homework grade was at or near 100%. To have an idea on how much a drop may occur, look at your test score and quiz averages to get a rough idea of what your overall grade would be without homework. Homework (example: note taking) will be assigned, but I will be neither required to complete it nor given credit for completing it. I understand that there may be some assignments or projects that are required of all students that I must do and will count as a class work grade.

I understand that doing homework may increase my understanding of the material and that not doing the homework may decrease my understanding of the material. I also understand that I cannot reverse this decision until the end of the semester. If at any time it is determined that the parent signature was falsified in any way, then I will receive a homework grade of 0%.

Student Signature:_____

Date:_____

Parent or Guardian Signature_____

Date:_____
