FACEBOOK POST FOR YOU TO POST (MAKE SURE TO INCLUDE THE IMAGE ALSO):

****PLEASE READ & SHARE TO HELP ME CRUSH MY GOAL!!!****

Hey everyone! As many of you know this fall I have been working hard with my sales internship at Vector Marketing / Cutco. We are finishing up a HUGE CONTEST that ends November 20th. Basically I am competing against everyone in the company for prizes such as a scholarship, a promotion ect and I am working super hard to try to complete **DEMOGOAL** presentations and sell **SALEGOAL** worth of the amazing AMERICAN MADE Cutco products.

I'm really excited to work hard and see what I'm capable of, but I need all the HELP I can get. Every Facebook share, referral or order could be the difference between me meeting my goal and falling short!

PLEASE SHARE this with everybody you know and tag anybody you think could be nice enough just to sit through my presentation (I can make it quick if needed) or who might have interest in any great stuff for the kitchen. I'll give you the BEST DEALS we have to offer!

Every potential contact, presentation and sale gets me closer to my goal and sets me up to finish in a way I can be proud. Please tag anyone who is awesome, share to help get the word out, let me know if you may be willing to sit through my presentation or there is anything you may be interested in! This means so much to me!

THANK YOU!

Hi!

It's **YOURNAME**, AKA your Cutco **girl/guy**.

Hey everyone! I am in a HUGE CONTEST for my internship with Vector Marketing / Cutco that ends November 6th. I'm really excited to work hard and see what I'm capable of, but I need all the HELP I can get. Every Facebook share and every order can be the difference between me meeting my goal and falling short! My goal is to do **#** demos, which would put me in a position to sell **\$#k+** !

THERE ARE THREE WAYS YOU CAN HELP ME!

1. Share my facebook post! **LINK HERE**

2. My goal is to sit down with as many people as possible. As you probably know, I only work on a personal referral basis, so if you know anyone else that might be nice enough to sit down with me, it would mean the world to me.

3. Check out www.CUTCO.com and if you see anything that you like, let me know and I'll give you the BEST DEALS we have to offer!

The competition ends **November 20th!** Every order, every referral, and every facebook share can be the difference between me meeting my goal and falling short! ... so whether you need just one more addition to your collection, an awesome gift, or an upgrade PLEASE let me know. If you know of anyone interested please send them my way, too and I'll give you credit towards FREE CUTCO for every referral that places an order!

I appreciate your support either way but the way you can help me out the most is by helping me to get the word out.

Thank you!

My (nephew/daughter/cousin) is in a huge contest for work and to help HIM/HER hit their goal I figured I would make a post to see if anyone was interested in checking out any deals HE/SHE could offer on Cutco - which is just really great stuff for the kitchen (knives, flatware, cookware, ect) - and see if you may be able to help each other out!

If you don't know what Cutco is you can watch this quick video at www.trycutco.com and if you do, everything is listed on www.cutco.com. If you don't need anything and could spread the word you may be the reason HE/SHE hits his goal for the contest that ends November 20th! Thank you so much for your time and have a great day!
