

UNIT 2 WRITING: THE IMPACTS OF CLIMATE CHANGE

Purpose

Strengthen your writing skills by crafting an evidence-based argument in response to the prompt.

Process

Using the claim statement and evidence from the Prewriting Activity, respond to the prompt below. If your teacher asks you to, include evidence from the DBQ Sources in your response. Use the Climate Project Writing Rubric to help you remember the elements of good writing.

Prompt: How will climate change impact your life now and in the future?
