SAFE 2 SAY INFORMATION: [Safe2Say Something](#) is a youth violence prevention program run by the Pennsylvania Office of Attorney General. The program teaches youth and adults how to recognize warning signs and signals, especially within social media, from individuals who may be a threat to themselves or others and to “say something” BEFORE it is too late. It provides a way for students and parents/guardians to anonymously share a safety concern with the school online or through a phone call:
