Unit 1: Number Properties and Measurement (Chapters 1 & 2)

Instructions for Homework:

- Title your page with your name, the date, textbook section and page numbers.
- Begin each problem by writing the problem number and copying the question.
- Show all your work clearly.
- Check your own answers in the answer section of the book with a coloured pen.
- Correct all wrong answers beside your original work.
- Ask in class or during Math Help if you need help completing or correcting your work.
