

Privacy Policy

This Privacy Policy explains how Glam Screw Puzzle handles user data during the use of the game.

Data Collection

We may collect the following types of data:

Device information (e.g., model, operating system, device identifiers)

Gameplay data (e.g., level progress, in-game actions)

Usage data (e.g., screen views, session duration)

Crash logs and performance diagnostics

Purpose of Data Processing

Collected data is used for:

Improving gameplay performance and user experience

Analyzing in-game behavior for better design and balancing

Ensuring technical stability and preventing fraud

Delivering relevant in-game content or features

Legal Basis

Data is processed based on legitimate interest to ensure functionality, performance, and security of the game. We only process data necessary for clearly defined purposes.

Data Sharing

We do not sell personal data. Data may be shared with trusted third-party service providers strictly for:

Analytics and performance monitoring

Crash reporting

Advertising (only if consent is granted by the user)

User Rights

Users have the right to access, correct, or request deletion of their data. Where applicable, users may also restrict or object to certain types of data processing.

Data Security

We use appropriate technical and organizational measures to protect data against unauthorized access, misuse, or disclosure.

Children's Privacy

This game is not intended for children. We do not knowingly collect personal data from children. If we become aware of any such data, we will take immediate action to delete it.

Policy Updates

This policy may be updated to reflect changes in legal requirements or game functionality. Updates will be communicated within the app where appropriate.
