

Dear Students and Parents,

Welcome to Fifth Grade Math! I am so excited to be back in the classroom and I look forward to navigating through these uncertain circumstances as a team. This year will certainly not look like any other, but I promise that I will do my best to make your child's education as engaging and rewarding as possible. I am nervous, excited and looking forward to working with each and every one of you to make this year the best it can be!

Classroom Rules

1. RESPECT yourself, your peers, adults, & school(whether in-person or virtual)
2. Abide by the Student Handbook & Code of Conduct

Textbook & Homework

5th grade: <https://www.savvasrealize.com/> (formerly pearsonrealize.com) plus student enVision workbook

For 5th grade, the physical text is also available online along with support materials. Students can review teaching resources and will have access to additional problems if they want more practice. Since a portion of the class is virtual only, I will be posting assignments and announcements in our Google Classroom to centralize the information for everyone.

Checking Grades

Grades can be accessed by the parent portal through Oncourse. Grades will be updated periodically.

General Information

All virtual and in-person students will follow the same schedule

Homework must be completed and turned in on the due date, half credit will be given for next day completion

If an assignment is not understood, please reach out to me so I can provide the needed support

Quizzes, tests, homework, & projects will be assigned & posted in class & on Google Classroom

Assignment policies from the Student Handbook will apply

If you have any questions, please contact me through voicemail extension # 216 or email me at amcguire@obboe.org. Please review this information together and return the attached sheet so that I know that everyone understands my expectations.

Please do not hesitate to contact me with any questions or concerns! I know that this year is going to be challenging and we will need to be flexible, but I know if we work together we can make it a success!

Mrs. Alina McGuire

We have read & understand the expectations & requirements of Mrs. McGuire's Math Class

DATE: 9-2-20
