Rules and punishments last updated February 18th at 4 PM EST
Added sub sections to rules 4, 9, and 12 pertaining to Safari Nets

~-~-Lutton-Bourne Rules-~-~

1. No racism, hate speech, or discrimination toward players or server staff.
    a. Racism and hate speech is an instant permanent ban (There is to be absolutely no use of the N word or any racial slurs).
    b. No belittlement, elitism, slurs, homophobia, racism, sexism and other insensitive language. Everyone is different in their own way, there is no reason to hate someone because of this! This includes reactions.
    c. Friendly banter is acceptable, but keep it within reason and do not make others uncomfortable.
2. Limited discussion of politics or religion, or any other controversial topics in chat.
    a. References to drugs are not allowed and are considered inappropriate chat. (exception: Medical marijana in any legal usage context or other doctor prescribed prescription drugs)
3. Griefing & Raiding is NOT permitted and will be rolled back. (includes unclaimed/abandoned builds)
    a. If a build becomes automatically unclaimed after a long amount of time (at least 3 months) with no activity from the claim's owner, it is acceptable to take over that claim as long as you have the intention of expanding it.
    b. Destroying other player's builds is bannable, don't do it.
    c. Raiding unclaimed houses, areas, stores, etc is not allowed if it is within the 3 month rule stated above.
    d. Don't use Safari Nets to grief people using captured mobs
4. No hacking or unapproved mods are allowed on the server.
    a. Hacks include but are not limited to X-Ray, PVP hacks such as kill aura, auto-soup, auto-armor, etc.
    b. You can find a full list of approved mods below after the full rule list, these may not be a fully complete list as new mods come out all the time.
5. No abusing bugs or glitches on the server.
    a. Do not use bugs with any plugins, Datapacks, or vanilla Minecraft to your advantage. This includes but is not limited to duplicating items, lag machines, etc.
    b. If you find any bugs with the server, please report them to a staff member, and we will look into fixing them.
    c. Exceptions to this rule: Tnt Duplicators, Zero Tick machines. Others can be added to this list, just ask
6. Respect other players and staff.
    a. Be kind and respectful to other players on the server and the server staff, and they will respect you back, just like in real life.
7. No spamming, unsolicited messages or advertising

    a. Any links or advertisements in chat are not allowed. This includes talking about other servers.
        i. being reasonable with a recommendation is fine. If something is deemed to be advertising it may be removed.
    b. No links to YouTube videos, Twitch streams, etc. in any chat unless you have previous permission from stw222 or server staff
    c. Spamming includes:
        i. Excessive use of caps
        ii. Identical messages more than 3 times
        iii. Spamming the same thing over and over again including expanding words with the same letter over and over again.
        iv. Sending spam to server members in direct messages (Discord DMs, /msg in game etc) is considered harassment and can result in a warning, kick or temporary ban.
8. No inappropriate usernames, skins, capes, or item names that can appear in chat when you kill someone or inappropriate builds.
    a. Do not use the /nick command to copy the username of any staff member on the server.
    b. Inappropriate builds include, but are not limited to: lag machines, hate-based imagery, etc.
    c. The staff team has full discretion as to whether or not a username, build, sign, cape, skin, or item name is appropriate for the server or not. (This rule is really only enforced in extreme cases)
9. Killing other players is not allowed unless both fighting parties are consenting to the fight.
    a. Do not use lava, TP trapping, droppers, pushing players off ledges, fireworks, or any other methods to kill players unless, again, both parties are consenting to a fight.
    b. Creation of a player made PvP arena is allowed and encouraged
    c. Don't use mobs caught in Safari Nets to kill other players
10. Public chat is English only. If you want to speak other languages, please do so using `/msg [username]` or `/party chat` or `/marry chat`
    a. Most of our staff team can’t moderate languages outside of English.
11. A MAX of 2 ALTs (3 accounts total) are allowed on the server at one time. Any accounts over 3 will be banned.
    a. Staff higher than Moderator rank can see location data for people who join the server (currently limited to 4 people who can see that information)
12. No harassing or annoying of other players or staff.
    a. This includes spamming information or comments in /msg or personal chat
    b. Don’t spawn mobs near people using Safari Nets to annoy them
13. No evading of bans, mutes, or the afk status in any way.
    a. Joining with ALTs after you have previously been banned will result in an escalation of your ban length.

b. Do not use signs or books to avoid being muted in chat.

c. The afk status is used to show that you aren't currently at your computer. Avoiding it through some mod or script can cause confusion as to who is actually currently playing.

14. No 18+ imagery on maps
    a. No pornography
    b. No Gore
    c. Don't upload images of your friends without permission
