

August 2024

Dear Kindergarten Families,

Welcome to Kindergarten! We are so excited to meet you and share this incredible experience together. Our Kindergarten year will be filled with new friendships, many milestones, and lots of learning along the way. We are ready to begin this special journey with you. We can't wait to meet you and have some fun together!

On the first day of school please remember to bring your school supplies with you if you did not pre-order them! Please label the outside of your bag. You don't need to label every individual item. Please bring a change of clothes in a labeled Ziploc bag for your child to keep at school.

Each day we will have two short snack times. A "light bite" in the morning and a "quick snack" in the afternoon. On the first day of school please send in **two small** healthy nut-free snacks, a water bottle, and a bagged lunch. Please pack them separately and label each with your child's name, with an "S" for snacks and an "L" for lunch. Also, please send your child with a backpack large enough for his or her belongings.

We know that the adjustment to kindergarten is a big one for all! On the first day of school if you would like to bring in something warm and fuzzy to hug, you are welcome to do so.

We hope you had a super summer! We are excited to meet all our new friends. We look forward to a great year working and learning together...

Love,
Mrs. Tari and Ms. Chiu

Dear Parents,

We would like to welcome you to the start of an exciting new year! We are looking forward to working with your child this year and becoming a partner with you in your child's education. In order to make this year a productive and memorable one, we know our teaching must begin by making your child feel comfortable in my classroom. We want to help all the children come together in a caring, learning environment.

For this reason, it would be helpful for us if you would take a moment and write to us about your child:

What is your child like?

What are the things you, as a parent, know that would be important for us to know?

What are your child's interests?

How do you see your child as a learner?

Has your child had any prior school experience? Please tell us about it!

We look forward to a productive, happy, and involved year!

XOXO

Mrs. Tari and Ms. Chiu

Additional Kindergarten Supplies

In order to keep our classroom productive, clean and germ-free we are asking for the following supplies **in addition to** the online supply list.

Please send in:

2 containers of anti-bacterial **hand wipes**

1 pair of **over the ear** child sized headphones for use with an iPad.

Thank you for your support!
