

Dear Parents,

In the attached pages, you will find the 2026-2027 required textbooks list for each elementary course offered at King's Academy Christian School. You may also be able to find some used books, but **BE SURE YOU HAVE THE CORRECT EDITION and ISBN#**. NOTE: Consumables MUST be purchased NEW.

Kindergarten-2nd grade families: This year, Zaner-Bloser has offered schools a special educational discount on the newly updated editions of the Superkids reading and writing curriculum. These updated materials are not yet available for individual parents to purchase through the Zaner-Bloser website, so King's will purchase the curriculum directly for all Kindergarten–2nd-grade students. Parents will be billed the discounted rate of \$115 per student in the fall.

BJU Parent Portal and UMSI Discount: BJU has partnered with UMSI to provide a parent portal that offers easy access to a curated list of textbooks for each grade level, a 15% discount and free shipping for parents, and a rebate program that goes directly to the school. By purchasing through the portal, you will receive the discount and shipping perks while giving back to our school. All orders are shipped directly to your home.

7. On your first visit, you will be prompted to create a Parent Portal account before completing checkout.
8. All orders ship free and are delivered directly to your home.

Students will need to have their books for the semester on the FIRST DAY OF CLASS. The school cannot make copies of missing textbooks for students due to copyright laws.

We appreciate your support and the opportunity to partner with you in your student's education!

To God be the Glory,

KACS Administration
