

NERC-DSH: Can you help us connect to the below organisations and industry areas??

If you're reading this and you are from one of the areas or organisations below, please do get involved. Alternatively, if you have contacts in these to people who work in this space please do share this with them. If there are other people, organisations and industries you think we should be talking to then please feel free to share this with them or put us in touch. We are particularly keen to speak to organisations from Northern Ireland, Scotland, and Wales.
