

Cyndi Dale - The Light Rising Community 2025

During these Sacred Circle sessions, you'll:

- **Receive spirit-guided energy practices tailored to the collective energies of each week** — helping you stay clear, grounded, and attuned to higher guidance
- Learn to transmute personal and global trauma into spiritual strength using **cross-cultural healing techniques rarely shared outside their original lineages**
- Access advanced chakra systems and divine archetypes that **expand your energetic capacity to hold light**, embody purpose, and serve others
- Harmonize the polarities within and around you, so you can rise above the noise of division and **become a force for peace and balance**
- **Engage in deep reflection and community dialogue** that offers insight, support, and a sense of purpose through the darkest of times
- **Cultivate the courage to step fully into your calling** — as a healer, a lightbearer, and a co-creator of the new world that is being born
- *And much more...*

Here's What You'll Receive

Twenty-Four 30-Minute Practice Sessions With Cyndi Dale

Experience a unique opportunity to be mentored by and learn from author, speaker, and intuitive energy healer Cyndi Dale — from the comfort of your own home. Each session includes a livestreaming video option. Sessions are on Sundays at 10:00pm Indochina Time

Twenty-Four Video Recordings of Circle Sessions

After each session, the video will be available for you to stream in a high-quality format. You'll never have to worry about missing a session, and you can watch anytime and anywhere at your convenience.

Twenty-Four Audio Recordings of Circle Sessions

After each session, the audio will be available for you to stream. You'll never have to worry about missing a session, and you can listen anytime and anywhere at your convenience.

Twenty-Four Interactive Sacred Circle Sessions

With live attendance, there will be a 60-minute optional interactive practice session directly following each gathering. You'll be placed in an intimate group with several other participants on the Zoom call to interact, share, and continue to practice for further integration. Practice sessions are not recorded for playback; if you're unable to attend the live sessions, the online community group allows you to connect with each other and find alternative times to interact.

Connect. Share. Grow.

Our exclusive online community is the perfect place to continue your discovery process after each circle gathering. Here, you can share and engage with your co-creative cohort to take your exploration to an even deeper level. **We've created a new private Sacred Circle community platform — right inside your community Homepage.** No Facebook, no extra logins. Just click into the Community section to share insights, ask questions, and connect in a simple, welcoming space designed just for you.
