

Internship at Woodruff Place Baptist Church

Who we are:

Woodruff Place is a church that has been a part of the city for 127 years. We are a diverse group of people from all walks of life ethnically, theologically, politically, different ages and social status. Our focus is to glorify God, grow in community, and humbly engage our city. We strongly believe in a faithful presence and many of our members live within walking distance of the church. We have a blended worship style with scripture reading, reading and response, prayer and the preaching of the word. We also have a contemporary component through praise and worship songs. We are everyday people following Jesus in mission and discipling one another.

About our neighborhoods:

We are located about a mile east of downtown, surrounded by four neighborhoods and a block away from Arsenal Tech Highschool. Our neighborhood is diverse socially and ethnically. Demographics include Anglos, African Americans, and Hispanic cultures. Our church sits on the corner of the historic neighborhood of Woodruff Place. New businesses are being established next to our building including a hair salon, French/Mexican Bakery, and a gym to name a few.

Who we're looking for:

The ideal candidate for this opportunity is someone that feels a strong desire to be in a diverse environment. Whether you might come from those roots or simply have a call to the city, it makes no difference to us. We want you to have a heart for the people in our city, neighborhoods and our church. Living in the neighborhood is a requirement for the opening because it comes with free housing.
