

WAR SPORT NW – Player Packing List

This packing list is primarily designed to help new players and parents of airsoft understand what's required to bring to events. For many veteran players this may serve as a reminder.

REQUIRED SAFETY EQUIPMENT

- **Full-seal, impact-rated eye protection** suitable for Airsoft (ANSI Z87.1-1989). Eye protection must remain on at all times in designated gameplay areas.
- **Lower face protection.** You will need to demonstrate your teeth will be kept safe.
- **Hearing protection.** We often have pyrotechnics during game play often going above 100db in sound.
- **Closed-toe, sturdy footwear (aka: boots)** appropriate for running, uneven terrain, structures, mud, gravel, and debris. ***Do not wear tennis shoes!***

REQUIRED TO PLAY

- Airsoft replica(s) compliant with event velocity/Joule limits.
- Magazines appropriate for your replica.
- Biodegradable Airsoft BBs (must show proof at registration).
- Charged batteries and/or appropriate gas/CO₂ for your equipment.
- Eye protection available **before entering the field or chronograph area.**
- All replicas must be presented for **chronograph inspection** when required.
- Signed **WAR SPORT NW waiver** and any required host-field waiver.
- Government-issued photo ID for adult participants when requested.
- Minors must have all required parent/legal guardian documentation completed.
- Hydration system or water bottles.
- Snacks/food appropriate for the length of the event.
- Speed loader.
- Dead rag / red cloth for indicating eliminated players.
- Flashlight for low-light or night gameplay.

STRONGLY RECOMMENDED

- Electronic or passive hearing protection.
- Gloves.
- Knee and elbow pads.
- Hat, helmet, or other head protection.
- Sunscreen and weather-appropriate clothing.
- Change of socks/clothing for wet-weather events.
- Small first-aid/blister kit.
- Anti-fog solution or backup eye protection.
- Spare batteries, chargers, gas, BBs, and basic repair tools.
- Watch or other simple timekeeping device.
