

## Miller, Gabrielle - Bio

### *Administration Manager & Operations Specialist*

Gabrielle Miller is an accomplished operations and administration professional with proven ability to build systems, teams, and companies from the ground up. As a core leader within Elite Sports Admin, she has streamlined operations for multiple large clubs like Colorado & Minnesota Rush, managed thousands of player registrations, and consulted on improving the flow of many well known administrative platforms. Gabrielle also helped lead the creation of an outsourced administrative team that helped Elite Sports Admin evolve into the organization it is today.

Fluent in 3 languages, Gabrielle most enjoys bridging communication between families, clubs, and national partners with clarity and efficiency. Her expertise spans process optimization, operations management, client relations, and a wide range of digital administration platforms, ensuring programs run seamlessly from registration to competition.

Before joining EAS, Gabrielle founded and managed Flight of Fancy, a New York-based real estate firm holding the state's highest brokerage license. Her career reflects a consistent theme: building structure, trust, and sustainability in every organization she helps support.

At Elite Sports Admin, Gabrielle continues to combine strategic vision with hands-on execution to deliver exceptional administrative support, helping organizations thrive.
