

Interventions/Accommodations We Offer Here at Edina High School.

- **Student Prep** - Quiet or Collaboration time for your student to work on homework. Seminar Class - Academic and Social/Emotional skill based instruction within a study hall time.
- **Directed Study** - For students who are at risk of failing a class and needing additional teacher support with organization and work completion. Referral for Directed Study comes through the Student Support Team.
- **Writing Center** - A student tutor will support your student with any written work or Language Arts based work. This may be accessed during Student Prep.
- **SMath** - A student tutor will support your student with any work related to Math and Science. This may be accessed during Student Prep.
- **Flex Time** - Students may sign up for additional time with a teacher to reinforce concepts, make up work, or take tests. Teachers may also assign students.
- **Office Hours** - Students may access teachers during their office hours for questions, make up work, or tests.
- **Social/Emotional Support** - Students may access their Social Worker for support with mental health, goal setting, and additional resources in and out of school.
- **Health Office**- See below for more information
