AFTER SCHOOL BUS TRANSPORTATION - IMPORTANT INFORMTION

- Miller-Driscoll and Cider Mill parents MUST use School Dismissal Manager (SDM) for students to ride the after school buses. Parents/caregivers may only select an alternative stop in School Dismissal Manager if their students is enrolled in a specific after school program or activity at the location. Failure to comply will result in the student only being allowed to ride his/her assigned bus home.
- Middlebrook and Wilton High School should note that buses to The Wilton Library and Town Center may not always be available. Priority must be given to students who are assigned to these buses for home/school transportation. Bus service will be denied if space is not available on any given day.
- We cannot guarantee that the arrival times will meet the needs of the students or the programs at these locations.
- Accommodations for student transportation to designated non-residence locations are provided only when the stop can be assigned to an existing route and seating is available.
