

- Fixed a glitch where entering the house would give you the incorrect trophy
- Added timed mode + a leaderboard for fastest times
- Dave can now go outside the house during finale mode (no more bully dave lol!)
- New character: The Stopwatch (only active in Timed mode)
- Removed Death Stare trophy (You have to do something really specific to get it)
- Added trophy for beating Timed mode
- Buttons expand when you hover over them (Thanks cuzsie)
- Made Dave's audio louder
- Changed Ruby Man function
- Added posters for each character
- Added a fullscreen toggle in settings
