Zalando

HR Department

22 November 2024

Dear Recruiter,

I am excited to express my interest in the **Data Platform Engineer** position at **Zalando**. As an individual who values **teamwork** and **diversity**, I am confident I can be a valuable addition to your team with my skills.

During my time as a Management Trainee at Decathlon, I tried xxxxx to make me want to be a data engineer.

I admire the company's commitment to innovation and sustainability in the fashion industry. I am passionate about leveraging data to enhance customer experiences and drive business success. Joining Zalando would allow me to work in a dynamic environment where I can contribute to impactful projects, collaborate with talented professionals, and further develop my skills in data engineering.

I believe I can immediately add value to your team with the following qualities:

- **Professional engineer** - I can type 100 English words within 1 minute
- **Team Player** – My WhatsApp is always open. You can find me anytime.
- **Innovative Spirit** – I know how to open a beer without a tool

With my technical expertise and soft skills, I am confident I can contribute significantly to your team. I look forward to discussing how my background aligns with your needs. Additionally, I hold a valid visa to work in Germany.

Sincerely,

Poyu Chiu
