

Child-Friendly Space Facilitators (6 Positions)

Job Title: Child Protection Case Worker

Department: Child Protection Program

Location: Beledweyne

Contract Duration: 6 Months (renewable based on funding and performance)

Position: 6 Position

Start Date: ASAP

Job Description

CFS Facilitators Child Friendly Space facilitator provides safe and supportive environment to Vulnerable Children

ROLE PURPOSE:

The responsibilities of this position include the facilitation of community discussions, implementation of CP/MHPSS activities and the engagement with target groups in Intersom's child friendly spaces. Additionally, the role involves ensuring operational smoothness, supporting communication tasks, implementing activities related to projects in locations where the team in Somalia office operates, particularly in Intersom's Child Protection areas of implementation but subjected to other Intersom sector's needs. Hired staff must comply with Intersom's policies and procedures.

For child friendly spaces facilitators assigned to Child Protection and Mental Health and Psychosocial support (CP/MHPSS) team, they will be working at the implementing static locations level and in close collaboration with other CP/MHPSS staff as the CP/MHPSS Supervisors, Officers, Coordinators and Intersom implementing partners. They will be responsible for the provision of PSS, Safe Identification and Referral (SIR) and awareness raising sessions on child protection while ensuring MEAL mechanisms and CP Minimum Standards in place.

KEY AREAS OF ACCOUNTABILITY:

- Represent Intersom and engage with target groups in static CFS in close collaboration with CP/MHPSS Community Engagement Workers (CEW) implementing activities in mobile locations.

- Prepare and facilitate workshops with children, following the children's resilience programme or other nonclinical PSS support set out by the CFS supervisor.
- Contribute to developing weekly schedules of activities.
- Ensure variety of semi-structured and recreational activities in the CFS catering the needs of children of different ages, genders, and abilities.
- Implement safe and fun activities with children
- Ensure safe, child friendly and participatory atmosphere in the CFS
- Continuously monitor and report on the emerging child protection needs of children arriving to the CFS.
- Participate and engage in planning and coordination activities with the team.
- Follow Intersom's procedures for the identification and referral of children in need of specialized services
- Actively participate in capacity building activities
- Feed into regular reporting and records keeping mechanisms
- Establish collaborative relationship with caregivers and ensure their participation in decision making.
- Identify and engage with community leaders in informal shelters and possible CFS implementing locations, built the trust with the community and refer to the CP/MHPSS supervisor the possible place of implementation.
- Meet regularly with the CP/MHPSS Supervisor to discuss workshop planning, implementation and monitoring and evaluation.
- Assist the CP/MHPSS supervisor in making the procurement list and maintain an adequate stock of the location including maintenance.
- Assist with data collection, observation and accountability as set out by the CP/MHPSS Supervisor in close coordination with MEAL teams.
- Arrange appointments for Intersom staff as needed.

Other duties:

- Ready to work to respond to any natural disaster or emergency anywhere in OPT.

QUALIFICATIONS AND EXPERIENCE AND ATTRIBUTES

QUALIFICATIONS

- Secondary school education.
- Social Work, pedagogy, psychology, education and non-formal education background will be appreciated.

EXPERIENCE AND SKILLS

Essential:

- Experience in working with children with age group of 9-16 years.
- Strong communication and interpersonal skills
- Ability to manage and handle a complex and varied workload.
- Ability to contribute to a small team, motivate staff, work collaboratively with colleagues, and provide support and advice as needed.
- Willingness and ability to significantly adjust working hours and collaborate with emergency teams coming from outside the sector.
- Cooperate as needed with organization staff, both internationally and within the team environment.
- Understand and commit Intersom's vision and mission.
- Ability to read and understand simple guidelines, short correspondence, and memos.
- Commitment to Save the Children's values.
- Ability to communicate in Arabic.

Desirable:

- Any previous experience in working within the MHPSS programs.
- Ability to use minimum level of English.
