#### Part 1 – 崩れてゆくもの – ~Things Crumbling Apart~ A Vow to Reconnect —×— A colorless world

##### Scene 1

(In another GEHENA facility, Tazusa fights alone against several enhanced Huge.)

<b>Tazusa:</b>	“Tch...!” “GET THE HELL OUT OF MY WAY!” <i>*Tazusa quickly kills the Huge around her*</i> “Hah... hah...” “I’m sorry, I’m so sorry... but there was no other way...!” <i>*More Huge appear*</i> “I know... that you used to be Lilies too...” <i>*Tazusa kills the Huge, but even more show up*</i> “And I know I’ll become just like you before long...” <i>*Tazusa shoots down the group of Huge*</i> “Still, I can’t afford to stay—“ <i>*A single Huge shows itself, and Tazusa once again begins to see through its eyes*</i> “.....!?” “My... eyes!!” “Nghh.....aaargghhh!!”
<b>Tazusa:</b>	“Hah... hah... hah...” “Heh.... ahahaha....!” “Who would’ve thought, huh? That the day would come where I’d be the one

	<p>disposing of Boosted Lily remnants...”</p> <p>“And soon enough...”</p> <p><i>*Tazusa shoots the Huge down*</i></p> <p>“Some other Lily will be killing me too, just like that...”</p> <p>“Ughh...!”</p> <p>“Still... even still...!”</p> <p>“If I can put an end to all of this... it’ll be worth it!”</p> <p><i>*Tazusa kills more Huge*</i></p>
<b>Research Supervisor :</b>	<p>“So you’ve finally come to us, Subject 021”</p>
<b>Tazusa:</b>	<p>“...!!”</p> <p>“...You... it was you! You were the one who put this power into me...!!”</p>
<b>Research Supervisor :</b>	<p>“I see, so the Huge cells in your body began resonating with the Nest as it became active, and that led your now fully developed Evil Eye to awaken.”</p> <p>“Said awakening roused your memories of undergoing the procedure, and the feelings of grief, of anger they instilled in you brought you here in search of revenge.”</p> <p>“I must admit, the raid on our laboratory and our subjects being taken away was quite a terrible shock. Yet still... the plans I so carefully conjured remain intact!”</p> <p>“Now, we can finally take the next step in our research...!”</p>
<b>Tazusa:</b>	<p>“W-What are you even talking about...? I came here out of my own will... so I could bring you—“</p> <p>“Actually, you know what...? It doesn’t even matter...!”</p> <p>“If it means I can finally kill you dead for all the Lilies you treated like lab rats, that you turned into these Huge...”</p> <p>“I don’t even care if I’m not acting on my own will, or if you’re the ones who put these emotions in me, It doesn’t change anything!!!”</p> <p><i>*Tazusa moves to kill another Huge*</i></p> <p>“I can’t go back on this... not when I’ve already killed this many.... this many remnants...!”</p> <p>“I have no reason to not go through with killing you...!”</p>

<p><b>Research Supervisor :</b></p>	<p>“Hah! You’ve even convinced yourself that these Huge you’ve cut down are remnants of Boosted Lilies now? Sorry, I can only laugh at that.”</p>
<p><b>Tazusa:</b></p>	<p>“What...?”  “.....”  “.... Fine, then, laugh all you want.”  “It still doesn’t change what I’m here for.”  <i>*Yet another Huge appears</i>  “Don’t you get in my way!”  <i>*Tazusa activates her strange ability, completely paralyzing the Huge and allowing her to shoot it down*</i></p>
<p><b>Research Supervisor :</b></p>	<p>“How splendid! Even though it’s not fully stable, it’s a wonder that you’ve managed to gain such a level of control over it this quickly!”</p>
<p><b>Tazusa:</b></p>	<p>“I know that killing you or even bringing this whole lab down won’t be making the world a better place or anything....”  “<i>But I will</i> still do it if it helps, even if just a little bit, to stop any more Lilies like me from being made...!”</p>
<p><b>Research Supervisor :</b></p>	<p>“My, are you sure you want to? Because if you kill me, the one way to make your eyes back to normal will die with me.”</p>
<p><b>Tazusa:</b></p>	<p>(So the moment I kill them... I’ll be lost for good.)  (Still, I’m not turning back on this, I <i>can’t</i>. I need to use this last bit of time I have...)  (To strike back at GEHENA... for all the pain and suffering they cause!)  (....So, to everyone.)  “..... This means goodbye.”  <i>*Tazusa prepares to kill the researcher, fade to white*</i></p>
<p><b>???:</b></p>	<p>“...Tazusa!”</p>
<p><b>Tazusa:</b></p>	<p>“...!?”  <i>*Another Huge suddenly appears and strikes Tazusa*</i></p>

	<p>“Nghh...!?”</p> <p>“What just...”</p> <p><i>*Tazusa falls to the floor*</i></p>
<p><b>Research Supervisor</b></p>	<p>“...No matter how tough you make yourself sound, at the end of the day, you’re still just a child, you don’t have what it takes to kill someone.”</p> <p>: “Still, I can’t help but wonder what kind of changes to your psyche the experience of actually killing a human being would induce.”</p> <p>“Oh, I know! Would you like to actually dispose of some real test subjects? To mercifully put down an already waning life is, after all, a form of kindness, don’t you think?”</p>
<p><b>Tazusa:</b></p>	<p>“I’d rather die...!”</p> <p><i>*Tazusa regenerates her wounds*</i></p> <p>“I’m not some toy for you to play with...!”</p>
<p><b>Research Supervisor</b></p>	<p>“I understand that, of course. Not once have I ever thought of you as just a mere toy.”</p> <p>: “To us, you are a most invaluable subject, an altar over which humanity may finally be unshackled from these wretched chains that are ‘Magie’!”</p> <p>“We would never, ever, treat you as just a plaything!”</p>
<p><b>Tazusa:</b></p>	<p>“Gooo.... fuck yourseeelf.....!!!”</p> <p><i>*Tazusa kills the Huge that struck her earlier, but she is soon surrounded by more Huge and is promptly hit again*</i></p> <p>“Khggg....nngghh...!”</p> <p>“I’m gonna kill you... each... and every one.... of you...”</p> <p>“You’re all gonna burn.... in hell...”</p>
<p><u>Scene 2</u></p> <p>(Nighttime, back in Yurigaoka.)</p>	
<p><b>Takamatsu</b> <b>Shiera:</b></p>	<p>“.... Kogetsu. Any progress?”</p>
<p><b>Kogetsu:</b></p>	<p>“To get to the point, Legion Rossweisse did not find Ando Tazusa in the research facility they were sent to.”</p>

	“However, they’ve found evidence that suggests GEHENA may be working to lure her somewhere.”
<b>Takamatsu</b> <b>Shiera:</b>	“And your countermeasures?”
<b>Kogetsu:</b>	“Are in place, obviously. But the fact remains that we’re still a step behind them.”
<b>Takamatsu</b> <b>Shiera:</b>	“Then find a way to close this distance at once.”
<b>Kogetsu:</b>	“...Of course, I will.”
<b>Takamatsu</b> <b>Shiera:</b>	“...Anything else?”
<b>Kogetsu:</b>	“It is known that GEHENA has spared no effort in interfering with all matters that pertain to Ando Tazusa.” “However, they’ve so far only carried out their meddling bureaucratically. If we’re to assume they’re taking practical action this time...” “Then it may be reasonable to assume these events may be in some way connected to the TIL growing more aggressive.”
<b>Takamatsu</b> <b>Shiera:</b>	“The Tokyo Island Labs... they hoped to create Princesses of the Huge by Boosting Lilies who held Aberrations based on the human senses....” “That is only further reason for us to retrieve her as quickly as possible.” “Few are like her, who was born the daughter of a Boosted Lily. But even more important...”
<b>Kogetsu:</b>	“She is the Andos’ last gift to this world.”
<b>Takamatsu</b> <b>Shiera:</b>	“I see you understand, so I ask that you do not needlessly speak in my stead.”
<b>Kogetsu:</b>	“My apologies, but I do not usually have the opportunity to see you hold personal investment in a matter like this, Elder Sister.”
<b>Takamatsu</b> <b>Shiera:</b>	“Dear... what a tone you’ve chosen to address me with, Kogetsu. Is there anything else you and your lousy mouth would like to speak to me about?”

<b>Kogetsu:</b>	<p>“Well, I must express my opinion on your dispatch of Team Hitotsuyanagi to another GEHENA facility, not as a mere disagreement, but as a fundamental questioning of your judgment.”</p> <p>“Specialized Legions such as Rossweisse are one thing.... but I cannot fathom deploying a regular Legion in a mission with the risks that involvement with GEHENA carries...”</p>
<b>Takamatsu</b> <b>Shiera:</b>	<p>“You disapprove?”</p>
<b>Kogetsu:</b>	<p>“I do, and that is even if Team Hitotsuyanagi wished for it themselves. We’re adults, it is our obligation to be resolute in declining requests of this kind.”</p>
<b>Takamatsu</b> <b>Shiera:</b>	<p>“They may be but delicate maidens at the end. But forget not the fact that they are Lilies, <i>soldiers</i>.”</p> <p>“Yes, they may face terrible consequences in their search for truth, but the alternative is to expect of them utter indifference to the troubles of their sisters, and the arduous choices that they bring.”</p>
<b>Kogetsu:</b>	<p>“... I see. I believe I understand your viewpoint.”</p>
<b>Takamatsu</b> <b>Shiera:</b>	<p>“A bird that knows only its cage can never spread its wings.”</p> <p>“We must care for their physical and mental well-being, certainly, but even more importantly, the resolve to fight that they possess must be revered.”</p> <p>“Now, Kogetsu, I shall inform you of the information we’ve collected at a later moment. In the meantime, carry on your investigations.”</p>
<b>Kogetsu:</b>	<p>“Understood.”</p>
	<p><i>*Someone knocks on the door*</i></p>
<b>Takamatsu</b> <b>Shiera:</b>	<p>“Enter.”</p>
<p><u>Scene 3</u></p> <p>(Flashback, Riri recalls the last words she heard from Morimoto Yuni.)</p>	
<b>Yuni:</b>	<p>“Look, if Ando Tazusa really is looking for the TIL, then I don’t believe you’ll</p>

	<p>be finding her here.”</p> <p>“If you really want to know what Ando Tazusa has to do with the TIL, then your Garden’s Chairwoman has all the information you could ever need.”</p>
	<p><i>(Flashback end, Riri and the rest of Team Hitotsuyanagi arrive back in Yurigaoka)</i></p>
<b>Riri:</b>	“Alright, let’s go meet the Chairwoman right away!”
<b>Yahiro:</b>	“Time is of the essence whenever searching for a missing person, so even if preliminary searches are bound to take time, the earlier we can start them, the better.”
<b>Miliam:</b>	“That bein’ said, I’m not sure all of us goin’ up to her is a good call.”
<b>Kaede:</b>	“I would argue that it’s all the more important that all of us go in together.”
<b>Fumi:</b>	“I agree. It might serve to show the Chairwoman how serious we all are!”
<b>Miliam:</b>	“That is a good point, yeah!”
<b>Yuujia:</b>	“I also think that’s for the best.”
<b>Shin:</b>	“So we basically gotta jump ‘er is what y’er sayin’!”
<b>Yuyu:</b>	“You’re completely free to take that risk, <i>by yourself</i> .”
<b>Shin:</b>	“Ya know I’m just playin~. I just don’t like the vibe when everyone’s all stone-face serious ‘n all.”
<b>Shenlin:</b>	“Not to say I don’t understand where you come from, Shin-sama, but I believe the time calls for firmer resolution on our part.”
<b>Shin:</b>	“A-Aye...”
<b>Yahiro:</b>	<p>“Well, Shin’s antics aside, I do wonder whether she’ll allow us...”</p> <p>“No, allow Team Hitotsuyanagi to also participate in the next operation?”</p>
<b>Yuyu:</b>	<p>“Yahiro... I don’t think we have any way of knowing that until we hear it directly from her. After all, today’s operation was a mere exception.”</p> <p>“Regardless, Riri has already decided that she will rescue Tazusa-san no matter the circumstances. Correct?”</p>

<b>Riri:</b>	“Yeah!”
<b>Yuyu:</b>	“Then it is our duty as her Legion to make this desire come to fruition.”
<b>Kaede:</b>	“Quite right, Yuyu-sama! I couldn’t have put it better myself!” “For what are we if not a profusion of Lilies that bloom underneath the magnificent willow tree that is Riri-san!”
<b>Riri:</b>	“Onee-sama, Kaede-san...”
<b>Yuyu:</b>	“So, may we still count on both of you to keep alongside us for whatever comes next?”
<b>Yahiro:</b>	“Of course, it’ll be my pleasure! You’re up for this too, right, Shin?”
<b>Shin:</b>	“.....”
<b>Yahiro:</b>	“Shin?”
<b>Shin:</b>	“Hm? Oh, uh, yea! Gotta put my best foot forward if Yuyu’s the one askin’...!”
<b>Riri:</b>	“Ehehe, well, Yahiro-sama, Shin-sama, we’re once again happy to have you with us!” <i>*Later, Team Hitotsuyanagi enters Chairwoman Shiera’s office*</i> “Pardon our intrusion!”
<b>Mai:</b>	“Riri! And the rest of the gang too!”
<b>Yuyu:</b>	“Mai! Do you feel better already?”
<b>Mai:</b>	“Oh dang, I’m sorry, you and everyone else must’ve been hella worried, huh? I’m not back to a hundred percent, but I’m up and running!”
<b>Kaede:</b>	“If you’re not completely back to full health, I would hope that you’re not straining yourself.”
<b>Mai:</b>	“That wouldn’t be right, though. I can’t just sit back and relax while you’re all doing everything you can to find Tazusa.” “Besides, it is kind of my fault that she’s missing now, since I was the one who couldn’t stop her...”
<b>Yuyu:</b>	“Mai...”

<b>Takamatsu</b> <b>Shiera:</b>	“You come at an opportune time. Yoshimura, let Team Hitotsuyanagi hear all of what you’ve just told me.” “Tell them of what Ando has done to you.”
<b>Mai:</b>	“.....” “Alright, then.”
