VERSE:

C F C E
Here I stand acting like a silly clown would,
Fmaj7 Ab F
I don't know why would anybody like to try
C G Em
The changes I'm going through
Fmaj7 Ab Fm
A hidden lie would fortify
C G Em
Something that don't exist
Fmaj7 Fm
But it ain't so bad, I'm just a lad,
C G Em
So many more things to do,
Am G Fmaj7 G C Fmaj7 C F
I intend to come right through them all with you.

VERSE:

C F C E
My songs are merely dreams visiting my mind
Fmaj7 Ab
We talk a while by a crooked stile,
C G Em
You're lucky to catch a few.
Fmaj7 Ab
There's no magic wand in a perfumed hand,
C G Em

It's a pleasure to be true.

Fmaj7 Fm
In my crystal halls a feather falls
C G Em
Being beautiful just for you
Am G Fmaj7 G C F C Fmaj7
But that might not be quite true, that's up to you.

INSTRUMENTAL:

VERSE:

C F C E
Dawn crept in unseen to find me still awake
Fmaj7 Ab
A strange young girl sang her songs for me
C G Em
And left 'fore the day was born.
Fmaj7 Fm
That dark princess with saddening jest
C G Em
She lowered her eyes of woe,
Fmaj7 Fm
And I felt her sigh, I wouldn't like to try
C G Em
The changes she's going through
Am G Fmaj7 G C Fmaj7 C F C
But I hope love comes right through them all with you.
