

# Elevating the Ingenuity of Schools and Communities

A National Convening on Transforming Education R&D

Oct. 16–17, 2023

Washington D.C. Metro

Main location: **Crystal Gateway Marriott** || 91700 Richmond Highway Arlington, VA 22202

## #InclusiveInnovation23

[REGISTER TO ATTEND](#) | [BOOK YOUR HOTEL ROOM](#) | [SPREAD THE WORD](#) | [STAY UP TO DATE](#)

We're excited to have you join us at *Elevating the Ingenuity of Schools and Communities: A National Convening on Transforming Education R&D* in the Washington D.C. metro area this fall!

We have an engaging agenda of over 25 presenting school districts, community-based and national organizations, 20+ breakout sessions, and opportunities to network.

Come to learn, see, contribute, and participate in conversations about the most pressing topics in education, like artificial intelligence, cybersecurity, student mental health, teacher workforce development, and more! We look forward to sharing this space with you.

### [PRE-CONVENING ACTIVITIES](#)

[CONVENING: DAY 1](#)

[CONVENING: DAY 2](#)

During the Convening, attendees will have the opportunity to participate in sessions in one of three pathways based on interests. Breakout sessions are identified by the corresponding pathways icon.

**Inclusive Innovation-in-Action:  
Districts and Community Showcase**

*Showcasing students, parents, and communities collaborating with schools/districts to transform education.*

**Inclusive Research and Development (R&D): How-To Workshops**

*How-to workshops for professional learning.*

**Advancing a National Education Innovation Agenda**

*Advocating and creating momentum for investing in and scaling inclusive education research and development.*

## MONDAY, OCTOBER 16

### PRE-CONVENING ACTIVITIES

**8:00 - 5:00 PM**

**Registration**

*Grand Ballroom  
Foyer*

Attendees must [register](#) prior to attending the Convening. The registration table will be open for the full day.

## MONDAY, OCTOBER 16

### CONVENING: DAY 1

**11:00 - 12:00 PM**

**PLENARY SESSION**

*Grand Ballroom  
Foyer*

**Lunch and Convening Kick Off!**

Pick up your boxed lunch and join us in the ballroom for a special Convening Kick-off at 11:30 am led by the League of Innovative Students.

**11:30 - 12:00 PM**

**PLENARY SESSION OPENING**

*Grand Ballroom*

**Welcome from Digital Promise and the Center for Inclusive Innovation!**

*Jean-Claude Brizard, President and CEO, Digital Promise  
Kimberly Smith, Chief Inclusive Innovation Officer, Digital Promise  
Dr. Viki Young, Chief Inclusive Innovation Researcher, Digital Promise*

**In the Words of Students from the League of Innovative Students**

**Welcome to #InclusiveInnovation23, presented by the League of Innovative Students**

- *Madison Asprer, Rowland Unified School District*
- *Maya Bhatt, San Ramon Valley Unified School District*
- *Nethra Dhamodaran, San Ramon Valley Unified School District*
- *Ray'Aunnah Tillis, Miami University-Oxford*

**12:00 - 12:30 PM**

**PLENARY SESSION KEYNOTE**

*Grand Ballroom*

**Emerging Technologies: Imagining the Future of Education with Accessibility and Disability Inclusion**

*Heather Dowdy, Accessibility Catalyst and Leader  
Check out [9 - 5 with Heather Dowdy](#)*

**12:30 - 1:30 PM**

**PLENARY SESSION PANEL**

*Grand Ballroom*

**Beyond the Buzz: Inclusive Practical AI Applications for Districts and Classrooms**

**Moderator:** *Dr. Jeremy Roschelle, Executive Director of Learning Sciences Research, Digital Promise*

**Speakers:**

- *Heather Dowdy, Accessibility Catalyst and Leader*
- *Jason Green, Co-CEO and Co-Founder, LINC Learning*
- *Nicolas Gertler, AI & Education Advisor, Encode Justice*
- *Dr. Nneka J. McGee, Chief Academic Officer, San Benito Consolidated Independent School District*

**1:30 - 1:45 PM**

**Transition and Break**

**1:45 - 2:45 PM**

**BREAKOUT SESSIONS**

Attendees will choose from the following breakout sessions.

*Salon F-G*

**Improving Youth Mental Health in Washington, DC through Connection and Empowerment:**

*Beacon House, an afterschool education nonprofit and youth development organization serving children and families in Northeast Washington, DC, is partnering with George Washington University's Milken Institute School of Public Health to address youth mental health needs.*

- *Kevin Hinton, CEO and Executive Director, Beacon House*
- *Natalie Page, Programs Associate, Beacon House*
- *Dr. Monica Ruiz, Associate Professor, George Washington University Milken*

A National Convening on  
Transforming Education R&D  
Oct. 16–17, 2023  
Washington D.C. Metro

Institute of Public Health

**Salon J**  **How Prince George's County & Other School Systems Influence & Evaluate Emerging Technology:** Learn how school districts and an edtech company are embedding edtech research and co-design into their process for evaluating edtech solutions to find breakthroughs in math.

- Katie Boody Adorno, CEO, LeanLab
- Benjamin Grimley, CEO and Co-Founder, Speak Agent

**Salon H**  **Realigning the High School Experience to Reflect the Future of Work:** The session will focus on examples of how to redesign your high school using the World Economic Forum's framework for Education 4.0 – empowering young learners to embrace and develop their uniquely human qualities – those unlikely to ever be replaced by technology.

- Dr. Baron Davis, Senior Advisor, Digital Promise
- Dr. Michael Nagler, Superintendent, Mineola Union Free School District (NY)

**Salon K**  **Informing Federal Policy to Support State and Local Education R&D:** Workshop recommendations for federal policies that support local efforts in education R&D.

- Sara Schapiro, Senior Fellow and Director of Social Innovation, Federation of American Scientists, Alliance for Learning Innovation
- Erin Mote, Executive Director and Co-Founder, InnovateEDU
- Bethany Little, Managing Partner, EducationCounsel

**Pentagon A** **EdLoC diverse solution designer 1-1 meet-ups**  
Sign up to meet with an EdLoC diverse solution provider. Sign-up is located in front of Pentagon A

**2:45 - 3:00 PM Transition; Afternoon Refreshments**  
Grand Ballroom  
Foyer

**3:00 - 4:00 PM BREAKOUT SESSIONS**

Attendees will choose from the following breakout sessions.

**Salon H**  **From Stories to Strategies: HBCU Spotlight on Community Transformation through Context Expertise:** Learn how Historically Black Colleges and Universities leverage deep community context expertise and relationships to transform the community.

- Dr. Alexandra Merritt Johnson, Senior Inclusive Innovation Researcher, Digital Promise
- Dr. Lynette Parker, Senior Researcher, Digital Promise
- Kofi LeNiles, Towson University & Howard University, Professor & Director of Howard University's Verizon Innovative Learning Program

**Salon F-G**  **Building the Multicultural, Multiracial, and Multilingual Democracy: How equityXdesign Inspires Sustainable, Equity-Centered Educator Practice:** The equityXdesign framework with the 228 Accelerator's tools empowers district leaders to develop and support educators in teaching multicultural democracy as deliberate practice, transforming mindsets and practices in schools.

- Caroline Hill, Founder and CEO, 228 Accelerator

A National Convening on  
Transforming Education R&D  
Oct. 16–17, 2023  
Washington D.C. Metro

**Salon J**  **Exploring Princeton City's Equitable School Systems Transformation Efforts and Advancing Your Own:** This session will introduce participants to a framework for equitable school systems transformation, provide real-world examples of how the framework has been implemented, and offer opportunities for participants to apply the framework to their own context.

- Jenny Bradbury, Senior Director, Solutions Strategy & Innovation, Digital Promise
- Dr. Kevin Jamison, Assistant Superintendent of Human Resources, Princeton City Schools
- Dr. Lisa Williams, Founder and Principal Consultant, EMCS
- Elgin Card, Superintendent, Princeton City School District
- Tonya West Wright, Associate Superintendent, Princeton City School District

**Salon K**  **Workshop on Communicating About Education Research and Development (R&D) with Your State and District:** Alliance for Learning Innovation (ALI) will work with participants on how best to communicate education R&D with key stakeholders in your state and district.

- Sara Schapiro, Senior Fellow and Director of Social Innovation, Federation of American Scientists, Alliance for Learning Innovation
- Tasha Hensley, Policy Director, The Learning Agency
- Otto Katt, Principal, Lewis-Burke Associates

**Pentagon A** **EdLoC diverse solution designer 1-1 meet-ups**  
Sign up to meet with an EdLoC diverse solution provider. Sign-up is located in front of Pentagon A

**4:00 - 4:15 PM Transition and Break**

**4:15 - 5:15 PM BREAKOUT SESSIONS**

Attendees will choose from the following breakout sessions.

**Salon F-G**  **The Opportunity to Bridge District Equity Gaps with Diverse Solution Designers:** Delve into an innovative approach to foster equity and inclusivity in schools through collaboration with Black, Indigenous, and people of color solution designers.

- Sherenna Bates, Project Director R&D Partnerships, Digital Promise
- Dr. Alexandra Merritt Johnson, Senior Inclusive Innovation Researcher, Digital Promise
- Tyron Young, Senior Program Manager, R&D, Digital Promise
- Stephane Manuel, Founder, TrueFiktion
- Marcela Andrés, President and CEO, designEDengagement
- Dr. Nathan L. Fisher, Superintendent, Roselle Public Schools

**Salon K**  **How School Districts are Achieving Extraordinary Equity Outcomes with Communities:** In this session we will share actionable tools for community-based design through one community's journey to extraordinary, equitable learning.

- Aylon Samouha, Co-CEO, Transcend

**Salon H**  **Seats at the Table: How to Authentically Engage Students in Co-Research and Design:** In this session, participants will learn about the process, systems, and outcomes of a pilot program, The League of Innovative Students, that positioned students as researchers and designers. Hear from students about their accomplishments, lessons learned, and aspirations and how you can incorporate more student leadership in your current context.

# Elevating the Ingenuity of Schools and Communities

A National Convening on Transforming Education R&D  
 Oct. 16–17, 2023  
 Washington D.C. Metro

- Kaonna Hyacinthe, Richland School District 2
- Krisha Singhani, San Ramon Valley Unified School District
- Madison Asprer, Rowland Unified School District
- Maya Bhatt, San Ramon Valley Unified School District
- Neil Chandran, San Ramon Valley Unified School District
- Nethra Dhamodaran, San Ramon Valley Unified School District
- Ray'Aunnah Tillis, Miami University-Oxford
- Cassie Graves, R&D Program Manager, Digital Promise
- Dr. Kristian Lenderman, Project Director R&D, Digital Promise
- Briza Diaz, Education Researcher, Digital Promise
- Zareen Kasad, Project Director, Digital Promise

*Grand Ballroom*  
*Foyer*

**10:15 - 11:15 AM BREAKOUT SESSIONS**

Attendees will choose from the following breakout sessions.

*Salon F-G*

**Sustaining Equity: Practical Tools that Drive Transformative Change:** Participants will learn about the practical tools crafted by Digital Promise’s Center for Inclusive Innovation and explore proven methods to co-design solutions and drive and sustain transformative change.

- *Dr. Latia White, Senior Inclusive Innovation Researcher, Digital Promise*
- *Tyron Young, Senior Program Manager, R&D, Digital Promise*
- *Cassie Graves, R&D Program Manager, Digital Promise*
- *Dr. Kristian Lenderman, Project Director R&D, Digital Promise*

*Salon K*

**Developing Student Agency in Career Exploration in Rural and Urban Districts:** Insights from early experiments helping young people build agency to explore their career and life after high school, including a 2-3 week summer program and AI tools that empower educators and students in this work.

- *Yusuf Ahmad, Vice President, New Products, Teach for America Reinvention Lab*
- *Aditi Garg, Senior Managing Director, Product, Teach for America Reinvention Lab*

*Salon H*

**Digital Equity Framework for District Transformation and Sustainable Implementation:** The session builds on the foundation set in our Digital Promise

# Elevating the Ingenuity of Schools and Communities

A National Convening on  
Transforming Education R&D  
Oct. 16–17, 2023  
Washington D.C. Metro

research paper, [Delivering on the Promise of Digital Equity](#), presents a framework for how districts can achieve Digital Equity in transformative and sustainable ways, and examines how to invest in and sustain innovations, looking toward a competency-based professional learning model to address challenges like teacher turnover and developing a next generation workforce.

**Moderators:**

- Jane Miller, Project Director, District Leader and C-Suite Experience, Digital Promise
- Jessica Jackson, Deputy Director, Research Evaluation and Design, Digital Promise

**Speakers:**

- Ji Soo Song, Digital Equity Advisor, U.S. Department of Education
- Grant Schimelpfening, Assistant Superintendent of Administrative Services, Lindsay Unified School District
- Dr. Abinwi Nchise, Director of Research and Evaluation, Lindsay Unified School District
- Dr. D'Andre Weaver, Chief Officer of Digital Equity, Digital Promise

Salon J

**National Cybersecurity Strategy: Scaling Inclusive STEM Workforce Pathways:**

Cybersecurity offers a viable, accessible career option and opportunity to gain transferable skills for high school students. Learn about equity-centered approaches to pathways models and industry and post-secondary partnerships that can drive the growth of a diverse Cybersecurity workforce.

**Moderator:** Kim Smith, Chief Inclusive Innovation Officer, Digital Promise

**Speakers:**

- Dr. Suzanne Lacey, Superintendent, Talladega County Schools (AL)
- Lydia Logan, Vice President of Global Education and Workforce Development, IBM
- Dr. Christina Luke Luna, Chief Learning Officer, Pathways and Credentials, Digital Promise
- Matt Miller, CEO, Paradigm Cyber Ventures

Pentagon A

## 4:15 - 5:30 PM PLENARY SESSION DISCUSSION

### Collective Action: What Can We Do Together?

We thrive when our young people are healthy and engaged. In today's climate and culture, how can we work collaboratively – schools and communities at a new table – co-creating an education experience centered on the mental, emotional and physical well-being of each and every student? Let's talk about ideas and actions.

- Kimberly Smith, Chief Inclusive Innovation Officer, Digital Promise
- Dr. Viki Young, Chief Inclusive Innovation Researcher, Digital Promise
- Dr. Baron Davis, Senior Advisor, Digital Promise

5:30 - 6:00 PM Break

6:00 - 7:30 PM Closing Reception with The League of Innovative Schools

Sky View

Join the national League of Innovative Schools network of district leaders for a networking reception and refreshments.

Hosted by:

Dr. Baron Davis, Senior Advisor, Digital Promise

Jillian Doggett, Director of Network Supports, Digital Promise
