

Only You Can Prevent Vote Fraud!!!

Check in:

with polling station liaison or campaign representative
with **Polling Warden** or other officials

Be friendly. Most poll workers are great people doing a super job, and we are there to help not hinder the legitimate process.

Follow all instructions provided by officials. If something does not seem appropriate, it is OK to question, but avoid argument. Escalate questions and reports.

Do Not Talk with VOTERS!

Do Not Talk with Poll Workers!

All Objections are to be made to the Warden or Official in charge.

Bring Note Pad/Pen and take notes! - observe the time and who is involved.

Record the names of people you are working with. Use names in dialogue to better remember who is who.

Bring a cell phone - remember phones **cannot be used for calls inside the polling places**. Phones or other devices are not allowed to ring or make any sounds, beeps, ring tones, etc; you are not allowed to have conversations inside the polling location. Go outside to take or make a call.

Bring a camera. - It is legal to take pictures or videos inside the polling place. It is a public event. If a polling official objects to using a camera, stop using the device until procedures can be clarified. Escalate if necessary.

DO NOT EVER TAKE A IMAGE THAT SHOWS THE CONTENT OF A BALLOT.

Charge batteries the night before! - bring extra fully charged batteries for any devices if possible.

Pre-Program the phone numbers for escalations! - campaign, attorney, Sec of State, media, relative for bail, etc.

If any problem is still not resolved, a person may contact the Secretary of the Commonwealth's Elections Division at 617-727-2828 or 1-800-462-8683.

Bring your own food & drink - Do not accept beverages/food from strangers. When drinking takes small sips as needed.

Watch the entire process - Fraud is more than voters voting more often than they should vote. Watch the poll workers, poll officials, visitors and document anything suspicious. Remember that as witnesses we also want to recognize and report when everything goes well!
