

You must have an email address on record with the school. You also can not have duplicate emails in the system. Each parent listed must have their own separate email account on file to have separate portals.

An example of what NOT to do.

Mom - [testfamily@gmail.com](mailto:testfamily@gmail.com)

Dad - [testfamily@gmail.com](mailto:testfamily@gmail.com)

Please provide separate emails for each parent/guardian.

### Step 1. [Infinite Campus Login Retrieval](#)

Once you click “Step 1. Infinite Campus Login Retrieval”, scroll to the bottom of the page and enter your email address on file. You will be sent your log in information. Once you have that, click on Step 2 below to access your account. Plan on completing this process in one sitting or your information will expire for security reasons.

### Step 2. [Parent/Guardian Login](#)

If you do not already have an Infinite Campus portal account, or if you have forgotten your username or password, please visit the [Infinite Campus information page](#) on our PVUSD website. There are several helpful links to help you: Parent Sign Up, Forgot Your Password, Parent Login, and FAQs.

Please note - *PVUSD does not use an ACTIVATION Key.* Any reference to an activation key is a generic reference from Infinite Campus and should be ignored. Just click on the Infinite Campus Information Page link above for guidance.
