

# LTG April 26, 2023 Teacher Sharing

Below is a sign up sheet for you to claim a time slot to give a short summary of your presentation and/or WebQuest. You may share your screen and talk about how you made it, what you liked about it, what was challenging etc. Or give an account on how you used it with your class(es) or how you intend to use it. This is simply a way to show your colleagues what you created. Because we want to see everyone's work, please keep your remarks to 2-4 minutes.
