

Leon County, TX Calendar of Events

Created by Ayla Kiepert - as a volunteer for many organizations, I am dedicated to streamlining resources for our local community.

**Inspired by the efforts of Maryssa Madden with the Marquez Area Chamber of Commerce and Kristy Vandergriff with the Jewett Chamber of Commerce*

*Thanks to Holy Wireless for keeping me connected and making this possible**

If you have a business or organization local to these areas and would like to have your name and/or event listed, please email ayla.kiepert@gmail.com
