

EVHS Ski & Snowboard Trip Informational Letter #1

TRIP DATES: Thursday, Feb 1– Sunday, Sunday, Feb 4

The Plan: We will be flying on Thursday, 2/1 and returning on Sunday 2/4. Students will miss a school authorized partial day on Thursday and a full day on Friday. Our destination for the first time ever is going to be Heavenly Ski Area on the south shore of Lake Tahoe, California! Heavenly Ski Area is best known for their amazing terrain, terrain parks and picturesque view overlooking Lake Tahoe. Heavenly Ski Area actually sits right on the Nevada/ California state line. You can ski in two states on the same run down the mountain. The group will be staying in a hotel right at the edge of the lake and within the town of South Lake Tahoe. The gondola loading station and shopping district are all within walking distance/ shuttle ride. Our plan is to ski/board full days on Friday/ Saturday & head back to the Reno, NV airport on Sunday via shuttle for the flight home. There will be 3 adults chaperoning our group of students from Eastview High School. We are limiting the number of students this year to 16. With space being limited, please sign up early by submitting your \$50 deposit to MyPaymentsPlus ASAP (Friday, Sept 29). Final price will be determined once we have our group size finalized and all reservations made.
