

2023 “Sew It – Show It”

July 17-20 Picnic Party (Carol - sewswift6@gmail.com)

Make something to use for a picnic, like a basket or a tote, etc. A square quilt. 50"x50" is the standard picnic size measurement, but any size square works for this hop!

August 21-24 – Call Me Crazy (Joan - calicojoan@aol.com)

Sew something that you wouldn't normally sew or share something you can't believe you sewed. We all know that crazy and scary feeling of wondering what we were thinking when we started or were in the middle of sewing something out of our comfort zone.

September 18-21 It's a Dog's Life (Carol - sewswift6@gmail.com)

Make anything dog or vintage related. Sew your project with dog themed fabric or applique/embroidery of dogs. As an added challenge if dogs don't ring your bell, think vintage. Vintage blocks, quilts, fabrics or whatever old designs make you happy.

October 23-26 Monster Mash (Joan - calicojoan@aol.com)

Sew and share something scary, not scary, or something in between. If it's Halloween related you know we will love it!

November 13-16 Turkey Trot (Joan - calicojoan@aol.com)

Think turkeys, thankfulness or Thanksgiving fabric. November also means beautiful colors of fall, so sew something with oranges, golds, brown, greens or cranberry reds.

December 4-7 Virtual Cookie Exchange (Carol - sewswift6@gmail.com)

Recipes are optional. You can share or not. Tell us about your Christmas traditions. Show off your Christmas decorations/tree. Spill your funny Christmas stories. If it's about Christmas, we want to hear about it.
