

[Apr 7, 9:04 PM] ToddZ: The AL and NL only league pools are as vapid as I can ever recall, even this early

[Apr 7, 9:06 PM] ToddZ: Feel free to ask questions folks. There should be more Touts dropping by.

[Apr 7, 9:07 PM] gccolton: 443 for Clint Frazier. Fire away

[Apr 7, 9:07 PM] Gorky: Clint Frazier worthy of a hefty bid?

[Apr 7, 9:07 PM] ToddZ: I "only" spent 317 on Kevin Pillar.

[Apr 7, 9:08 PM] dce4165: Looking at Frazier and or Dyson

[Apr 7, 9:08 PM] dce4165: Gorky I was debating the same thing

[Apr 7, 9:08 PM] gccolton: I have been very impressed by Frazier (by eye test) but I agree that is too rich for my blood given Hicks and Stanton will be back (and Ellsbury -- ok, not Ellsbury)

[Apr 7, 9:08 PM] ToddZ: Glenn can speak more to it, but if he hits, Frazier should take some of Gardner's PT once everyone is healthy.

[Apr 7, 9:09 PM] Guest4918: Montos vs Balt it Turnbull in faab next week?

[Apr 7, 9:09 PM] gccolton: Agree with Todd that Frazier will take some of Gardner's time but Sanchez will eat up DH time more and more as the year wears on. Plus, when Didi gets back, that makes even more crowding issues

[Apr 7, 9:09 PM] ToddZ: It's a risk, but Turnbull is intriguing

[Apr 7, 9:10 PM] ToddZ: I'm so old, I remember when Ellsbury was good

[Apr 7, 9:10 PM] Guest4918: Start Caleb Smith or Skaggs next week

[Apr 7, 9:10 PM] MikeGianella: hey everyone

[Apr 7, 9:11 PM] gccolton: I want no part of Skaggs at Cubs

[Apr 7, 9:11 PM] celslagerFL: Evening everyone

[Apr 7, 9:12 PM] ToddZ: Smith for me. Today was rough, but prefer Smith at home

[Apr 7, 9:12 PM] Phil Hertz : Another vote for Smith - and he wasn't that bad today.

[Apr 7, 9:13 PM] ToddZ: I do like Skaggs, but more so at home

[Apr 7, 9:13 PM] ToddZ: I just updated the pitching rankings at Rotowire for subscribers

[Apr 7, 9:14 PM] nmalen: Better bench stash: Kyle Tucker or Nate Lowe?

[Apr 7, 9:14 PM] gccolton: I did not see Caleb Smith's start (was watching Sanchez hit dingers) but I read that he was solid despite not having his best change. Bodes very well

[Apr 7, 9:15 PM] Phil Hertz : For once I got the players I wanted tonight - and didn't overbid. I got Duplantier for 11; one more than Brian Walton bid, and Wolters (replacing McCann) at 5, two more than Albright.

[Apr 7, 9:15 PM] ToddZ: Tucker better player (duh). Hmm. I guess Tucker, go with the talent

[Apr 7, 9:15 PM] nmalen: thx Todd

[Apr 7, 9:15 PM] ToddZ: Duplantier could close, or he could be sent down tomorrow. But the kind of arm you want.

[Apr 7, 9:16 PM] DougDennis41: I really like Duplantier and honestly, in NL-only, who else can you get instead?

[Apr 7, 9:16 PM] MikeGianella: Tucker for this year, definitely.

[Apr 7, 9:16 PM] Brian Walton: I figure any reliever behind Greg Holland might have a chance.

[Apr 7, 9:16 PM] dce4165: It is obvious

[Apr 7, 9:17 PM] gccolton: Brian - is that you throwing shade on our NL LABR Bradley pick? :)

[Apr 7, 9:17 PM] DougDennis41: that's Brian throwing shade on my NL LABR Holland pick!

[Apr 7, 9:17 PM] dce4165: the Phils have issues in the pen but I did notice hector nerris got the save. think that is worth paying much attention to?

[Apr 7, 9:17 PM] Phil Hertz : I don't know if Brian was throwing shade, but I am. 😊

[Apr 7, 9:17 PM] Brian Walton: I like Duplantier, too. I just already have minor league pitchers filling two of my four reserve spots.

[Apr 7, 9:18 PM] gccolton: I think Neris, Robertson and Dominguez will all register decent number of saves. All good arms worth owning imho

[Apr 7, 9:18 PM] Brian Walton: If he gets sent down, no telling how long until he is back. Zero Triple-A career innings, right?

[Apr 7, 9:18 PM] MikeGianella: in the short term, yes. in the long term i think they'll want to get Robertson back on track.

[Apr 7, 9:18 PM] ToddZ: Kapler may eventually settle on one guy -- that usually occurs when the mix and match doesn't work. So far its working so likely guessing game

[Apr 7, 9:18 PM] DougDennis41: phil's q: I think all 3 of Robertson, Dominguez and Neris will end up with saves and all are high skills/high caliber. what's not to like?

[Apr 7, 9:19 PM] gccolton: Doug said the same thing I did. Now I feel SMART :)

[Apr 7, 9:19 PM] DougDennis41: (I own shares of all 3 in various places)

[Apr 7, 9:19 PM] Phil Hertz : Neris was very good after he returned from the minors last year. Given the way Kaplan handles his pen, I could see some more saves even if Robertson gets going.

[Apr 7, 9:19 PM] Tony: I'll be dropping Alex Reyes in 3 leagues tonight. With 7 bench spots, I'm done playing the waiting game with him. Mistake?

[Apr 7, 9:19 PM] Brian Walton: That's me, the ShadeThrower! ;-)

[Apr 7, 9:19 PM] ToddZ: Similar scenario in Boston -- Barnes set up Brasier

[Apr 7, 9:19 PM] Vikingsguy: Jeffress has to be a spec save opportunity as a RHP in that 'pen, right?

[Apr 7, 9:19 PM] gccolton: For those who don't know -- we are kidding. Brian is one of the nicest guys there is. Period!

[Apr 7, 9:19 PM] ToddZ: hader was used in the 7th to get Rizzo (and others) out

[Apr 7, 9:20 PM] ToddZ: saves are fun

[Apr 7, 9:20 PM] gccolton: Yes on Jeffress. He would have gotten the save today and spared Hader having to go 2 and 2/3 IP

[Apr 7, 9:20 PM] ToddZ: For sure on Jeffress

[Apr 7, 9:20 PM] Brian Walton: On Reyes, the Cards do not plan to start him in Triple-A. And Hicks may be settling in, so Reyes' value this season remains very unclear.

[Apr 7, 9:20 PM] DougDennis41: Jeffress may take a bit to round into form so you'd have to be patient. but down the road, yes, potentially.

[Apr 7, 9:20 PM] MikeGianella: shane greene buyers are smrt

[Apr 7, 9:20 PM] gccolton: Brian -- What about CMart as a possible closer in the last 4-4.5 mos?

[Apr 7, 9:20 PM] ToddZ: Greene's underlying numbers last year were better then 5.07 ERA

[Apr 7, 9:21 PM] ToddZ: says the guy with zero, zilch, nada shares

[Apr 7, 9:21 PM] MikeGianella: true, i think Bret mentioned that in his LABR AL recap

[Apr 7, 9:21 PM] DougDennis41: I think we just have to get used to the idea that a lot of teams are going to use two or three semi-closers. Greene is an example of a team that . . . is not.

[Apr 7, 9:21 PM] Brian Walton: CMart did well in the closers role last Sept, but the Cards want him to start and so does he. But if Hicks falters, they don't have another good option.

[Apr 7, 9:21 PM] Gorky: Trying to decide which hitter to stream for tomorrow: Markakis L @COL Freeland L or A. Gordon L vs. Felix R. Does Coors trump the L/L matchup for Markakis or does Gordon's L/R matchup tilt to him?

[Apr 7, 9:22 PM] Tony: Any update on Luzardo?

[Apr 7, 9:22 PM] ToddZ: Markakis is likely to sit

[Apr 7, 9:22 PM] DougDennis41: dark horse I like in St. Louis: Brebbia.

[Apr 7, 9:22 PM] ToddZ: they've been using Camargo in RF v LHP

[Apr 7, 9:22 PM] Gorky: Ah - thanks, Todd.

[Apr 7, 9:23 PM] DougDennis41: I've seen nothing new on Luzardo. I don't think we'll hear anything until he throws in a rehab game.

[Apr 7, 9:23 PM] Brian Walton: For whatever reason, the coaches don't seem to have much confidence in Brebbia. I don't understand why other than maybe because he has a really off-beat personality.

[Apr 7, 9:23 PM] Tony: Justus Sheffield worth holding on to in a redraft? (7 bench spots)

[Apr 7, 9:23 PM] ToddZ: Don't expect anything on Luzardo for awhile

[Apr 7, 9:23 PM] ToddZ: @Tony, what size league?

[Apr 7, 9:23 PM] Tony: 15

[Apr 7, 9:24 PM] Tony: and i think i have him in a few 12s as well

[Apr 7, 9:24 PM] gccolton: Not a huge Justus fan for redraft in NFBC style

[Apr 7, 9:24 PM] MikeGianella: re: sheffield, i'd probably drop.

[Apr 7, 9:24 PM] ToddZ: if there's no DL, I wouldn't get married to him

[Apr 7, 9:24 PM] ToddZ: keep until there's no other drop, then don't lose sleep

[Apr 7, 9:25 PM] DougDennis41: I am not a Sheffield guy, but the other side of the coin is who you'd have instead.

[Apr 7, 9:25 PM] Tony: true true....ok, he'll be the next to go once a need pops up

[Apr 7, 9:25 PM] ToddZ: maybe -- Erik Swanson in the mix

[Apr 7, 9:26 PM] Gorky: Does Kyle Hendricks' skill set (elite control and HR-prevention) portend any kind of "cliff season" more than normal? He's been consistent and is still young, but I'm tempted to cut bait.

[Apr 7, 9:26 PM] ToddZ: Considering he was the return for Paxton, Seattle will give Sheffield the chance to start, knowing they have the parachute of late inning reliever

[Apr 7, 9:27 PM] Phil Hertz : Patience is needed at this time of the season. I can't think of many scenarios in which I cut Hendricks any time soon.

[Apr 7, 9:27 PM] gccolton: I would not cut Hendricks after a tough time in Milwaukee. Very very tough place to pitch.

[Apr 7, 9:27 PM] ToddZ: I'm not a hendricks guy, more so because strikeouts are so valuable in fantasy

[Apr 7, 9:27 PM] Tony: That was my thought when i was drafting him...but injuries/poor performances are starting to pile up

[Apr 7, 9:27 PM] ToddZ: That said, if you have him, you're not likely going to get better

[Apr 7, 9:28 PM] DougDennis41: I *am* a Hendricks guy--in what league is he a cut? I don't see it.

[Apr 7, 9:28 PM] Phil Hertz : Not a fan either, but if u got him, you probably don't cut him now.

[Apr 7, 9:28 PM] MikeGianella: He went through this early last year too. I'd hang on, but I'd agree with Todd that he is what he is and contact pitchers generally have more variability.

[Apr 7, 9:28 PM] Vikingsguy: Thoughts on Yandy Diaz? I don't see any plate disc. metrics trending in the right direction. Short-term success w/o underlying progression?

[Apr 7, 9:28 PM] Brian Walton: Agree. Too valuable to release.

[Apr 7, 9:28 PM] ToddZ: know way you cut him

[Apr 7, 9:28 PM] Gorky: Mine is a shallow 10-team with a 180 games started limit for pitchers, so K/9 pitchers are gold, and Hendricks doesn't qualify.

[Apr 7, 9:29 PM] ToddZ: It's all about the launch with Yandy

[Apr 7, 9:29 PM] ToddZ: The Rays are working with him -- so far, so good

[Apr 7, 9:29 PM] gccolton: Rays, who know their stuff, gave up Bauers in order to play Yandy. I like the upside there

[Apr 7, 9:29 PM] Tony: Dahl just left the game

[Apr 7, 9:29 PM] Vikingsguy: Ideally Yandy adds 3B eligibility as well...currently DH, at least on ESPN

[Apr 7, 9:29 PM] ToddZ: hard to have a guy change his swing and work on patience at the same time

[Apr 7, 9:29 PM] Tony: hurt after a swing

[Apr 7, 9:30 PM] celslagerFL: Not a fun time to have to write an injury article

[Apr 7, 9:30 PM] DougDennis41: If the Rays turn Yandy into a power guy, they are just showing off.

[Apr 7, 9:31 PM] gccolton: If Dahl is hurt, and I hope not, the Rox will probably just trade for Cargo rather than give Tapia a chance.

[Apr 7, 9:31 PM] ToddZ: need to sneak in a couple FAAB bids in - type loud, I'll be back in a sec

[Apr 7, 9:31 PM] DougDennis41: Dahl is a flame and his owners are moths.

[Apr 7, 9:31 PM] Guest2345: Thoughts on a FAAB bid for Max Fried? NL only. What about Merrill Kelly - also available in same league.

[Apr 7, 9:32 PM] gccolton: No way I pitch Fried in Colorado this week so put that in the value. I like Kelly v. SD. Long term, I like Fried for talent but Kelly will be in rotation and Fried has a ton of competition.

[Apr 7, 9:33 PM] Phil Hertz : Like Fried more, but he's at risk of being moved out of the rotation at the first hint of struggle I

[Apr 7, 9:33 PM] Brian Walton: Kelly seems to have a relatively firm rotation spot. Who knows in Atlanta? Though I like Fried.

[Apr 7, 9:33 PM] Vikingsguy: if you can hold Fried after his @COL start?

[Apr 7, 9:33 PM] DougDennis41: Fried has to perform to keep his job--ATL has options and Foltyniewicz will be back soon. Kelly could suck all year and be in the rotation.

[Apr 7, 9:33 PM] Brian Walton: Of course if Kelly sucked all year, you wouldn't want him!

[Apr 7, 9:34 PM] Brian Walton: He fanned nine Red Sox today in 8 innings.

[Apr 7, 9:34 PM] DougDennis41: of course! beggars can't be choosers (I should know!)

[Apr 7, 9:35 PM] DougDennis41: If Kelly is a thing, I will be the first to admit that I lucked into it in LABR NL. Not who I wanted going into that auction.

[Apr 7, 9:35 PM] dce4165: what about throwing Tehran out for the two start week? With him playing in col the first start it kind of worries me

[Apr 7, 9:36 PM] Brian Walton: What are your options, dce?

[Apr 7, 9:36 PM] Phil Hertz : Depends on alternatives, but if I have a decent one, I probably sit Teheran if he's got a start a5 Coors,

[Apr 7, 9:36 PM] MikeGianella: re: Teheran, depends on format/rules but my instinct would be not to use him.

[Apr 7, 9:37 PM] dce4165: 15 team mixed Roto. I do not have anyone on the bench. Thought about fabbing Zimmerman

[Apr 7, 9:37 PM] DougDennis41: agree w/everyone else on this, but it is very rules/format dependent.

[Apr 7, 9:37 PM] dce4165: slim pickings

[Apr 7, 9:38 PM] gccolton: I believe in Jordan Zimm in deep leagues. And with that, I bid you all a good night. Family duty calls!

[Apr 7, 9:38 PM] DougDennis41: bye Glenn

[Apr 7, 9:38 PM] dce4165: Thanks Glenn

[Apr 7, 9:39 PM] Brian Walton: I dunno. I might risk Teheran over Zimmermann.

[Apr 7, 9:39 PM] ToddZ: Zimm not bad set up this week

[Apr 7, 9:39 PM] ToddZ: I'm scared of Coors

[Apr 7, 9:40 PM] Phil Hertz : Are you talking about cutting Teheran for Zimmerman? I don't think I'd do that although I'm with Glenn that I think Zimmerman could be a nice asset in a deep league.

[Apr 7, 9:41 PM] dce4165: also debating on if I want to throw down 10 percent of my fabb on Frazier. Phil, def would not cut Tehran for him. I have some on my bench I need to cut

[Apr 7, 9:41 PM] Brian Walton: Remember then Colo lineup is compromised by injury and that was before Dahl was apparently hurt tonight.

[Apr 7, 9:41 PM] Brian Walton: that not then

[Apr 7, 9:42 PM] Vikingsguy: Is Strahm droppable in 12tm roto for (better) streamable options or a hold?

[Apr 7, 9:43 PM] Phil Hertz : What are the better streamable options?

[Apr 7, 9:43 PM] ToddZ: guys like Strahm need to be treated as fungible in 10 and 12 teamers

[Apr 7, 9:44 PM] ATCNY: Strahm not a must keep. I personally like to stream in 12 team, and he is in that mix/level for me.

[Apr 7, 9:44 PM] ToddZ: hard to do, but necessary

[Apr 7, 9:44 PM] MikeGianella: you can drop him in that format.

[Apr 7, 9:44 PM] Vikingsguy: Strahm is my 8th SP. Would be the likes of Gausman, Zimm, Chirinos, etc

[Apr 7, 9:44 PM] ToddZ: "practice excruciating patience" was coined with 12 team single league formats ;)

[Apr 7, 9:50 PM] Phil Hertz: I'm ok cutting Strahm in that format, but I'm not sure I like Zimmerman, Chirinos more than him.

[Apr 7, 9:51 PM] ToddZ: long term, Chirinos, but he's still a matchup guy in 12's

[Apr 7, 9:51 PM] Gorky: Anyone want to take a stab at what a Williams Astudillo AVG/HR/RBI fantasy line would look like with 500 PA?

[Apr 7, 9:51 PM] Tony: I'd hang on to Strahm. We're not even 4% into the season.

[Apr 7, 9:51 PM] ToddZ: not as good as most will think

[Apr 7, 9:51 PM] ToddZ: *good

[Apr 7, 9:52 PM] ToddZ: Strahm hold in 15, not in 12

[Apr 7, 9:52 PM] ToddZ: .260-13-65 or so

[Apr 7, 9:52 PM] ToddZ: for Astudillo

[Apr 7, 9:52 PM] Phil Hertz: My sense is that the more Astudillo plays, the more he'll be Exposed,

[Apr 7, 9:52 PM] ToddZ: but 500 is generous

[Apr 7, 9:53 PM] DougDennis41: ok fellow kids--school night for me--ttyl!

[Apr 7, 9:53 PM] MikeGianella: i could see the AVG being higher but that's right on the power. as exciting as he is, the profile really isn't great for fantasy.

[Apr 7, 9:53 PM] ToddZ: though, 500 PA is about 493 AB ;)

[Apr 7, 9:53 PM] ToddZ: yeah, BA is so BABIP dependent, who knows?

[Apr 7, 9:53 PM] Tony: in 7 minutes, I get to see how ridiculously high I bid on certain guys lol

[Apr 7, 9:54 PM] Phil Hertz: Early morning meeting tomorrow, so I need to say Aloha.

[Apr 7, 9:55 PM] Tony: early word on Dahl is an oblique inj.

[Apr 7, 9:58 PM] Gorky: See ya in six weeks.

[Apr 7, 9:58 PM] MikeGianella: ugh

[Apr 7, 9:59 PM] Tony: some guys just can't stay healthy

[Apr 7, 9:59 PM] Ian Kahn: Hi all.

[Apr 7, 9:59 PM] MikeGianella: hi ian

[Apr 7, 9:59 PM] Ian Kahn: Happy to answer any H2H questions

[Apr 7, 9:59 PM] Ian Kahn: Hi Mike

[Apr 7, 10:01 PM] Ian Kahn: Oblique on Dahl is tough.

[Apr 7, 10:01 PM] Tony: I'm hanging on to Ohtani in weekly lineup leagues...15 and 12 teamers. 7 Bench spots..no DL. Is he worth stashing?

[Apr 7, 10:02 PM] ToddZ: NFBC?

[Apr 7, 10:02 PM] Tony: yes

[Apr 7, 10:02 PM] Ian Kahn: I say a big yes on Ohtani

[Apr 7, 10:02 PM] ToddZ: MAYBE, but he's going to get days off even when healthy

[Apr 7, 10:02 PM] ToddZ: there will be 3/4 game sets he only plays two

[Apr 7, 10:03 PM] Ian Kahn: I think he is one of the most dynamic bats in the game

[Apr 7, 10:03 PM] ToddZ: not ideal for NFBC - he's a hold until injuries kick in and you need the spot

[Apr 7, 10:03 PM] ToddZ: Ian - it's not quality, it's quantity

[Apr 7, 10:03 PM] ToddZ: in NFBC you need volume

[Apr 7, 10:03 PM] MikeGianella: I love Ohtani but that's tough in a weekly.

[Apr 7, 10:03 PM] Ian Kahn: that's also true. But I do think he is special. And that quality in my mind will lead to regular at bats.

[Apr 7, 10:03 PM] Tony: That's what I'm thinking. For now, I can still hang on to him but who knows

[Apr 7, 10:03 PM] MikeGianella: I have him in a daily and am licking my chops but that's different obv

[Apr 7, 10:03 PM] ToddZ: 7 man reserve with no IL

[Apr 7, 10:04 PM] Ian Kahn: i get it

[Apr 7, 10:04 PM] ToddZ: most have 3-4 actual reserves

[Apr 7, 10:04 PM] ToddZ: hard to use one on a prt time guy

[Apr 7, 10:04 PM] Tony: he's perfect for daily....and the cherry on top is one with DL

[Apr 7, 10:04 PM] Tony: sorry, IL.

[Apr 7, 10:05 PM] Ian Kahn: i just love his swing and power the other way. Also he gained traction against LHP as the season went on. IF he runs, he could be a top 30 hitter the rest of the way.

[Apr 7, 10:06 PM] ToddZ: top 30 skills (I have him top 20 skills) but he'll sit to do some throwing too later in the season

[Apr 7, 10:06 PM] Ian Kahn: But I am unreasonably high on him.

[Apr 7, 10:06 PM] Ian Kahn: If he was just a hitter, I think he could be a 40-30 player.

[Apr 7, 10:07 PM] Ian Kahn: Not in 2019. But let's say 2022.

[Apr 7, 10:07 PM] Tony: This is when I check how ridiculously high I was on C.Frazier with my bids.... brb

[Apr 7, 10:08 PM] MikeGianella: putting aside fantasy for a moment, ohtani is amazing. loved watching him last year

[Apr 7, 10:09 PM] MikeGianella: Chaz Roe sounds like the bad guy from every 80s movie ever

[Apr 7, 10:09 PM] Vikingsguy: Here's a fun start/sit in weekly: LeMahieu or Polanco? (Both start with awful matchups, then NYY vs. CWS and MIN vs. DET Fri-Sun)

[Apr 7, 10:10 PM] Vikingsguy: MI position, I should add

[Apr 7, 10:10 PM] Ian Kahn: I was curious who the other two are, and what is the format?

[Apr 7, 10:11 PM] Vikingsguy: Hey Ian - Roto w OBP 5x5. Odor at 2B, Bregman at SS

[Apr 7, 10:12 PM] ToddZ: Polanco has slightly better setup

[Apr 7, 10:12 PM] ToddZ: but not dieal

[Apr 7, 10:12 PM] ToddZ: ideal

[Apr 7, 10:12 PM] Ian Kahn: I very well might sit Odor.

[Apr 7, 10:13 PM] ToddZ: even with 5, like Odor more than DJ Lem

[Apr 7, 10:14 PM] Ian Kahn: Todd Z is one smart dude. I'd go with him.

[Apr 7, 10:16 PM] Vikingsguy: Thx Ian. I appreciate Todd's responses, but I'll leave him alone now so his thumb can heal rather than mashing a space bar. :)

[Apr 7, 10:16 PM] MikeGianella: i'd go with Odor as well

[Apr 7, 10:17 PM] Tony: Todd, you were #1 overall in the Main event recently, correct? If so, still there? I know it's early but that's amazing.

[Apr 7, 10:18 PM] ToddZ: No, not Main Event

[Apr 7, 10:18 PM] ToddZ: TGFB!

[Apr 7, 10:18 PM] ToddZ: but thanks

[Apr 7, 10:18 PM] Tony: Ah yes, that's right. I saw it on twitter. Amazing.

[Apr 7, 10:18 PM] ToddZ: its's one week

[Apr 7, 10:18 PM] ToddZ: fun, for sure, but means nothing

[Apr 7, 10:19 PM] ToddZ: plus - have Trea Turner

[Apr 7, 10:19 PM] ToddZ: so, short lived

[Apr 7, 10:19 PM] MikeGianella: clay said something about that on your rotowire pod that i loved (but i don't remember his exact words)

[Apr 7, 10:20 PM] Tony: yeah, that's a huge loss. Imagine drafting what could have been thought of as the perfect trifecta of Tea, Stanton and Murphy. Speed, Power and Avg. All down the drain right now.

[Apr 7, 10:20 PM] MikeGianella: one of the razzball guys did that (I think) turner, stanton and murphy in the first four rounds of TGFBI

[Apr 7, 10:21 PM] Tony: Wow! That's nuts.

[Apr 7, 10:22 PM] Tony: side note: I'm getting VERY tired of Hampson. Patience running thin. Onion skin thin

[Apr 7, 10:22 PM] ToddZ: he's not giving COL a reason to play him for sure

[Apr 7, 10:27 PM] ToddZ: I'll leave the window open, and return if I hear a pop, but I need to post some updates

[Apr 7, 10:47 PM] Gorky: Anyone care to handicap where and when Kimbrel signs?

[Apr 7, 10:47 PM] ToddZ: Honestly, anyone's guess

[Apr 7, 11:08 PM] Ian Kahn: Have a good night all!
