

Message to German Flood Victims

*Date range assessed by the fact that mid-August 2002 was when the European floods hit Germany.*

Michael Jackson. speech transcript

To the people of Germany: I send my deepest concern, my deepest and most heartfelt condolences. You are not alone, I am here in spirit with you. And you are in my prayers. Remember - God is with you. And have faith in the fact that this too shall pass. All my love and caring. I love you forever. Thank you.
