

**IMPORTANT: PLEASE HAVE SOME BASIC BLENDER AND UNITY KNOWLEDGE  
BEFORE PURCHASING AS *KEMI* IS A BASE MODEL, I UNFORTUNATELY DO NOT  
HAVE ENOUGH TIME TO SPARE TO SIT DOWN WITH EVERY PERSON TO WALK  
THEM THROUGH THE EDITING AND UPLOADING PROCESS.**

By using any model that uses this base in any way shape or form you agree to all of these terms whether you have read them or not. These rules are subject to change without notice. If you have any questions please feel free to open a ticket in my Discord server (<https://discord.gg/ZWuBj9wNvj>) or dm me on Discord meagansan2000#4883.

1. Please have basic blender and unity knowledge as I do not offer uploads, refunds are not offered to those who do not know how to edit and upload models.

When making a new texture for the *Kemi* base you must make sure you overlay the credit texture onto the texture you created.

11. You cannot sell models using the Kemi base with a personal license, you would either have to upgrade to a commercial license or buy the commercial license instead.
12. You **can** create assets to sell that fit the *Kemi* base as long as it does not use duplicated mesh from the base itself, and if you will use the *Kemi* base in a showcase please remember to credit (<https://payhip.com/b/hv8K7>).
13. For your license to be valid you must fill out the checkout page correctly and with a valid vrchat id ([can find it here](#)) as well as a valid Discord id # ([can find it here](#)).

4. You cannot sell a model in its original or almost original state, significant edits must be made, for example, adding hair and retexturing as well as possibly deleting some shape keys (deleting shape keys is not mandatory) or adding clothes would be enough of a significant change.
