Dear Families,

I hope this message finds you well! It's hard to believe, but we're just two weeks away from the end of the quarter, and with Labor Day weekend coming up, that means only 8 school days are left.

Over the next couple of weeks, we'll be wrapping up units, reviewing key skills, and finishing assessments. Please encourage your child to stay focused and do their best as we close out this part of the school year on a strong note!

When students are absent, families should use this quick and easy Google Form to notify the school.
