

The newly appointed Qatari Emir is devastated that the TRIO didn't bite off the bait. "Wanna kiss my ass?" "Def Not!" Five days ago Saudis, UAE, Bahrain armed to the teeth withdrew their Low-BATT Hibernating Envoys from Qatar in protest that they're outfucked in Canine Braggart Overtrading Dispute over who chew the microphone first. Qatari Emir said: 'sorry! ain't doing it again. Carpe diem Mea culpa. Looosers.' was that something?

Psst: Qatar tripled salaries of any fractionally owned IPO's Nutjob who fleas Dubai to go to work in Doha. How worse can't be?

Qatar & Dubai has one thing in common. David Cameron fucked both.

The first by WORLD CUP 2022 and the second by EXPO 2020.

'Here's the deal' Cameron said: 'do it or I will get you democratized by Arabspringers alas devastate both your metropolises if Briton unemployables ain't allowed to suck whatever left of Dubai & Qatar Treasuries. David Cameron keeping Thugocracies in chemotherapy for 6-8 years to die at good price. You don't need to get to college to learn how to bust a Palestinian TRAITOR. Just read 'how to lynch a Zionist' in KKK for Dummies that's will do it.

Azmi Bishara name begins with "MK" means he's member of Knesset ain't AYATOLLAH he's a Zionist scumbag and must be arrested and lynched from his both rectum & testicles and skewed his Hasidic Magein David FATASS on Fiery Cross over kerosene flame..ouch.

Dumbdown Girls. Azmi Bishara Neutralization and acquiring Qatar citizenship ain't Dhahi Khalfan's problem it's Hamas's. They know how to pop traitors they're doing it every day. Now they ain't do it since Dhahi Khalfan's gone on Israeli crude propaganda spree advertising Israel as the Horniest Espionage Bitch of the Lower Gulf. Damn it. He's worthing the worthless.

That's what Israeli mediawhores wanted: An Arab Sherlock Holmes bring 'em to Headlines. Bibi must be masturbating by both hands using cucumber in his tailgate too. What more he wants?

How nice. He's Getting free of charge propaganda while his rivals eliminated by proxy. Dhahi is getting rusty like that Jordan's Asshole Sheikh Awad Alsharkasi the other day who said to FRONTPAGE Magazine: 'Palestine ain't mentioned in Quran therefore its Jewish ain't Arab no mo'.

According to Israel Radio Dhahi Khalfan alleged that Bishara, was an agent of Israel and responsible for deterioration of Qatar's relations with its neighbors. Are we through with kindergarten or what? Excuse me. I got to add ants to pot to concentrate.

Dhahi Khalfan was outfoxed in 2010 by some amateurs popped Mahmoud al-Mabhouh Hamas's FATASS Member at-daylight in Hezbollah-run al-Bustan Rotana opposite Dubai airport.

Wow it took Dhahi Khalfan 14 days to post failing Photoshop and Cloned passports dumb Redherring to cover-up his SCREWUPS. Since then he's YOUYOUing any fly lands on his nose like a loose gun. Like Ahmadinejad he aided Bibi get elected two terms. Likud voters obsessed with Israeli wins against Arabs. Dubai Police was godsend then. Dhahi Khalfan given all the credit to Mossad Loosers that they never dreamed of.

Disagreement is healthy attitude. Politics is sport not martyrdom.

If you ain't stoic talk cricket.

Neither Wolf nor Dog, I am a coyote.

That's the grief. Once upon a time Beijing had very valuable cargo [I mean Chinese dignitaries] on board Malaysian Airlines flight MA370. Some Iranians bought EU passports from Corrupt Thai Police in Phuket and boarded the doomed flight MA370. Now they're famous of grounding the only Freedom Fly they got. INTERPOL will strike rich getting one billion victims per day asking their permission to board plane. Routers IPOs are sky high. And everybody lived happily ever after beneath the sea.

\$1000 per hour sitting ducks: 'it ain't worth it. Girls!'

Go home before being busted in the ass and blame Taliban for it. Those innocent kids barely get \$50 per hour off [the] \$1000 per hour charged to US Taxpayers. \$950 per hour ganophed from each soldier for sending 'em to death by greedy warring complex.

The 24 hours looted per diem doled to Private Contractors to BUY the House the Senate and the WHITEHOUSE.

It's been 5 years since John McCain showed up on David Letterman show. Everyone would remembered McCain's blunder when he ditched his campaign for Sarah Palin and went to aid George Bush [the kid] split the first bailout trillion among wall street's wolves. Hank Paulson irked that McCain would expose Goldman Sachs scam, he asked George Bush [the kid] to yell at McCain to go back to his campaign and let professional do their job; he meant Neil Kashkari spread the loots among friends. McCain then snubbed David Letterman not to show up and later he went and apologized. McCain knew from the beginning that Sarah Palin was excess baggage when Obama ditched her offer in the primary. Obama took Alaska without her help.

You don't need to be a Muslim to be Paki Atheists or Agnostics. Secularism ain't perspective. They can fuck each other without it. Lahore ain't the place. Try Tehran. They're sitting ducks for Taliban. Paki Atheists and Agnostics dug their own grave by posting their own fuckup precedent on Tablet Magazine. Idiots never learn. Their butts are Taliban's. I meant their Kalashnikovs'.

Five days ago Saudis, UAE, Bahrain armed to the teeth withdrew their Low-BATT Envoys from Qatar in Canine Braggart Overtrading Dispute over who chew the microphone first. Today URINE al-Maliki got the chance to chew France-24" Microphone first. He YOUYOUed Saudi and Qatar Joint-Venture to RIG Iraqi Upcoming Parliamentary Election. Why should Sunni need Saudi & Qatar support to bomb Shiite? You must be kidding? They can do without it. URINE al-Maliki's Iranian-Bitch-State Dream shattered and turned to nightmare; he's devastated as Sunni bomb Shiite Shrines & Marketplace. URINE al-Maliki ain't stopping Sunni bombing Shiite even if he doled the whole Iraqi OIL revenue to 'em. Sunni enjoy bombing Shiite is utopia and status quo in Iranian-Bitch- States alas former Iraq. Its fun, power and control. Sunni are now targeting Sunni traitors who joined URINE al-Maliki as well as Iranian Pilgrims. Saudi and Qatar Joint-Venture ain't an option no mo in fact it's an interest to keep away Sunni bombing GCC Shiite within. GCC is charming death they're sitting ducks. Dubai Crown Prince 1971 Initiative: Gargantua and Pantagruel

I am waiting 30 years for your Initiative. “Let’s have it from the end... the cream... Scheherazade! Please”. I mean: I will be too brief:

Ahmed Adi Albitar a BELLBOY in King David Hotel in Jerusalem, Israel authored back in 1971 a very interesting MUSTREAD Document called:

“The Constitution of the United Arab Emirates”

”دستور دولة الامارات العربية المتحدة“

“dastūr dawlat al-imarāt al-arabīya al-muttaḥida”

Since I am a Blackbelt Diehart Paulite Constitutionalist Libertarian I religiously memorized the whole 152 articles of UAE Constitution outta my heart. Just kidding! Come on Boys. I read it twice. OK! Let’s get to the bottom of it.

The most mind bugling articles that caught my eyes were article 21 & 39 of the Constitution which strictly prohibits either the State or the Ruling Family forfeit, confiscate or attach any private property, assets or money without court order.

Here’s the deal... despite all that constitutional jazz all night long to the morning sun.

Sheikh Hamdan [YOUR UNCLE] mocked the constitution and confiscated TEN MILLION DOLLARS DWD Payables from Dubai Water Department that killed both my parents, devastated my family & children and threw me to the DOGS for 30 years.

Hustling and fighting, scratching and biting to pay DWD DEBTS ain’t mine.

It will be nice if you draw a CHEQUE to cover those [loose change] plus spoils of 1982 until today, another eight Million Dirham for Nadd Alshiba’s ELEVEN Greenbelts that’s EIGHTY Million Dollars SPOILS in 30 years and please don’t forget to clear all my debts accumulated in Dubai court.

Should that turns Imbroglia then I am more than happy to take back my goods. At least I can return some to my innocent suppliers [alas DWD victims] and sell some to please my aggravated Seigniorage Banksters [alas Dubai Hyenas]. I can’t wait to take-out all those Nadd Alshiba’s GREENBELT Trees down too to auction ‘em in Garhoud Nurseries.

Don’t worry! PAKHTUN Gardeners will bribe Dubai Municipality to replant ‘em back in Nadd Alshiba at ten times of my price.

If I am allowed I will take off all my manhole covers outta Dubai streets and walkways [mind your steps Folks!, watch out your kids!], including water meters, pipes, fittings, valves, pumps, earth moving equipments, tractors everything. I ain’t ought to get to court for that. After all That all are my property since DWD paid nothing.

فَلَمَّا كَشَفْنَا عَنْهُمْ الرِّجْزَ إِلَى أَجَلٍ هُمْ بِالْغُوهِ إِذَا هُمْ يَنْكُتُونَ (الاعراف 135)

I am too old GOUTIC to take DWD to court. After all who’s that foolish crackpot JUDGE who will risk his career and commit suicide to try DWD and deliver judgment? If I sue DWD I will be thrown in prison as laughingstock Philosoraptor and die there as that IDIOT Don Quixote who pawned his life to bet on wrong horse trusting his own Sheikh who kept his doors shut charming Khomeini.

[In case you didn’t know Philosoraptor metaphor it ain’t that dinosaur analogy that you know who grapples with big questions of metaphysics, ethics, and meaning of it all but that Emarati Dumbass Who supplied DWD 23 Million Dollar worth of goods to save Dubai of dehydration and flooding.]

Imagine when I am HEADHUNTED by every Affluenza Bounty Hunter, HAUNTED by every Debt Collector on menopause for 30 years. My phone is TAHSEEL’s default 911 as common thief.

“It’s a virtue to kill a man than taking away his money”

The above mentioned Prophet’s [PBUH] Despot proclamation is a Commanding HADEETH omitted from Sahih al Bukhari recent version.

وَإِنْ مَا نُرِيكَ بَعْضَ الَّذِي نَعِدُهُمْ أَوْ نَتَوَفِّيكَ فَأِنَّمَا عَلَيْكَ الْبَلَاغُ وَعَلَيْنَا الْحِسَابُ (الرعد-40)

As per Dubai Elder’s STATUS QUO Sheikh Hamdan is a LITTLE GOD [EI-Rab-EI-Saghier] has heavenly birthright to take away my money and devastate me. He has taken away my money for the global warming that I caused to Planet Earth [just kidding].

For 30 years I thought why should this LITTLE GOD be kind to shoot me in the head to stop my misery so I can’t see the melancholy left behind me that killed both my parents [may Allah bless their souls], devastated my family & children and he can rule happily ever after.

I was too thick then to think that way; until I realized that Seigniorage Banksters are theirs. The Little God wanted me HUSTLING and FIGHTING, SCRATCHING and BITING to pay DWD DEBTS ain’t mine. Its Ockham's Razor Law of Parsimony.

I realized that [Oh No] as I ditched Monsanto ganja and switch to Organic belladonna. [Just crudity scatological humor. don’t do it boys!]

Should I have taken Bill Duff’s Deputy Ismail Agha’s offer to escrow One Million Dollars to release my Funds? I ain’t writing you today.

I was a FOOL and NAÏVE to refrain from BRIBING Ruler’s office Chief Account then.

I loathed bore you at this stance with this claim credibility. Bill Duff got all LPOs, SRVs & invoices and more in my Banksters vaults.

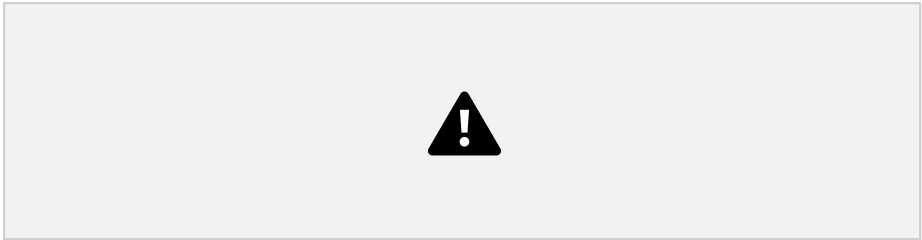

I ain’t forgiving anyone who used my innocence for living.

In both of Your Dad’s published Books, he conscientiously crowed about CRADLE to GRAVE utopia phenomenon. I am too dumb to fathom that as I witnessed his elder brother turned my life to hell and yet he says whenever he’s confronted: ‘NO ONE IS ABOVE THE LAW’. What law? Whose law? And Where? He must be talking about a forbidden utopia that I ain’t allowed to subscribe.

I am the victim of Gargantua and Pantagruel war.

To avoid being scoffed at and banned in-transit by some Nutjob Unemployable Scion Grafts at your end. I posted my INITIATIVE QUESTION in English than Arabic on social media. God forbid I ain’t Anglosexual though.

You may keep your Dh 50,000 award for the needy contenders who just started spamming this premise all over the web. They’re 71 contenders, they need it. SHEESHA price jumped from Dh 5.00 to Dh 25.00.

I am an offensive comedian. I mean no disrespect or affront. It’s Just to cheer you up. Carpe diem Mea culpa. Neither Wolf nor Dog, I am a Coyote.

I thought you should know:

The Word (قانون) : It Means (LAW) ain’t mentioned not even once in those 6236 Ayah or 17655 words of Holy Quran; and yet it’s stipulated 85 times all over the UAE Constitution without drawing a distinct verbatim of its predetermined definition in any of those 152 Articles presets of the Constitution. Ain’t that something? It’s a miracle hahaha.... Hallelujah.

Prime Minister Benjamin Netanyahu is a fool if he let stateless settlers evicted, he’s gonna lose voters, who else will vote for him, like his father [‘BENSION’ WHO drained both Israeli Treasury and Insurance companies to keep ‘em alive until he passed away last year.] Bibi believes that’ only a ‘dead Arab’ is a ‘good Arab’ . BENSION always regarded Palestinians as Philistines, like father like a son they’re afraid. Philistines enjoyed killing Jews for centuries until Moses conquered ‘em now their offshoots are terrorizing Bibi’s registered voters alas Stateless Settlers. Abbas is fucking Arabs and Jews for money and Bibi is fucking Israel & Palestinian traitors to survive.

Ukrainian Prime Minister Arseniy Yatsenyuk will meet Obama. USA is desperate to show the whole world that they still call the shot. They summon any scumbag traitor to WhiteHouse against a green card for his wife and kids.

I don’t believe my eyes reading “How the Ukraine crisis ends” by Henry Kissinger? This DUMBASS took America to four wars and now he’s acting as Mickey Mouse snaking Googledjunk, Wikitrash AND Mediawhores Horsemanure.

Anarchy is the best solution proved so far. Ukraine is a disintegrated Nation; Ukrainians ain’t loyal to no one no mo. Patriotism ain’t perspective in Ukrainians mindset they’re “Controversial” and “Conspiracy Theorists” .

Both The House and the Senate united exploited Ukraine BLUFF to keep Pentagon budget intact downgrading Hagel’s haircut to save-guess-who? Keep guessing...don’t give up.

Come on girls...Both THE House and THE Senate united took SNOWFALL break to evade meeting KING of DISTRACTION Benjamin Netanyahuoo in DC.

How much would that costs the warring industrial complex to bribe both Putin and Ukrainian zombies Crimea showdown in order to keep the Army's fiscal year 2015 \$1T budget of the Pentagon intact?

It All Comes Down To This. IMF my A\$\$! Here comes the WARLORD\$--- Seigniorage Banksters Sharia Scam Gangsters. What took 'em so long to grab the helm? It's about time to print fiat outta thin air to smoke Ukraine.

War unites nations for dictators to take 'em to death and greed disintegrates nations for thugs to scavenge. Obama & Putin got one thing in common, both are bored and scared; both wanted a war that makes life interesting in White House and Kremlin.

Last week I said: Putin is exploiting Obama's handicap he will strangle Eurozone if he has to. Putin will send his Chechen sleeper cells to bomb hydrocarbon pipelines and blame it to Caucasus Emirate President Sheikh Dokka Umarov. Obama got slap in the face from Tsar Vladimir-V.

"Sieg heil". Once upon a time, it's a miracle. Putin decided to return ONE of many Obama's calls that went unanswered, it took more than one hour for Tsar Vladimir-V to inform Obama that Russia reserves the right to defend its interests and Russian-speaking population interests of Ukraine. William Hague supported 'em lest Putin extort Russian Oligarchy to dump UK bonds & shares and send England to where they belong---Jurassic. Tsar Vladimir-V will headhunt every Russian Fugitive Oligarchy abroad if they haven't. Ukraine ain't American problem. It's Putin's problem. Deal with it. Ukraine got no hydrocarbon to fuel Eurozone got no cash surplus to buy EU & US Bankruptcies. Ukraine is flat broke. They releaded EU, Russia and MAFIA to drain their own scarce and volatile treasury. That's why its rebuffed outta Eurozone as that-old Russian-Bitch-State who ain't neither neither bites nor bark but faaarts jingle all the way.

Russians are suicidal sperms by default. They will take their own life if they're drained outta vodka.

Now he's on his own. Putin ain't nuking PENTAGONJUNK in the Mediterranean no mo, he ain't that stoopid. He will strangle Eurozone to bring USA to WWII instead.

Putin gave Obama the MIDDLE finger [UP YOURS!] watching POTUS address in 'unplanned appearance' at the White House saying: 'don't do it'.

Ukraine is a Russian suburb now. Don't you get it? Obama chickened-out to kick Putin butt outta Syria, as matter of fact he cowed and enjoyed with Putin watching Assad gassing Syrians.

USA needed Syria [war] showdown to save Europe. They missed that slot. They screwed up.

Obama was too stoopid to treat Putin as Qadafi. Obama upgraded Qadafi from terrorist to Democracy to save Bankrupt Chrysler, he lost Libya for good. Idiots never learn.

Obama downloaded Putin from KGB cabbies a common thief to a Russian Tsar. As Morsi’ s when uploaded SISI to guard him from Egyptian Belly Dancers, he overthrew him using bartenders instead. Obama frogmarched this dumbass into Kremlin to reassure Petrodollar surplus, hydrocarbons, water, power, preteen queers and underage hookers’ swift flow to ravenous Europe or else EU is ATLANTIS. Should you think Putin otherwise then you seriously need an undertaker. Obama must lynch all his FUCKEDUP spies and his OUTFUCKED foreign policy advisors from their reeky rectums to prevent Putin from invading Ukraine. Are you kidding? Putin could easily shortcircuited 2 years ago when Obama benedicted him rig Russia’ s polls to go second terms as Obama did. Ukraine was godsend to unite USA beneath Obama’ s wings to coronate Putin as Czar Vladimir –V who will rule the world from Alaska to Maine [anti-clockwise]. Mea Culpa! Caucasus Emirate President Sheikh Dokka Umarov is the best contender to run Deranged Russian GOATs far better than Putin. BREITBART promoting Sarah Palin’ s doctored video to show that she predicted Ukraine Dilemma in 2008.Its a recent footage rigged to show an old precedent. Russia invaded Georgia 7-16 August 2008 during George Bush [the kid] Presidency 4 months before Obama sworn into office. I doubt that Sarah Palin then was able to distinguish if Ukraine is male or female. She bankrupted McCain buying all those ugly [woman-in-red] dresses from campaign funds. McCain got lucky that he lost the White House 08. Imagine the nightmare when a loose gun like Sarah Palin sitting with Zardari next door discussing how to nuke Antarctica. When US Mediawhores run outta Breakings: ‘What choice then did poor President Putin has, but to accede to the cries of his countrymen?’ Putin owns “GOOGLE” has he bought “BREITBART” ?

FORGIVING and FORGETTING 2002 Gujarat Pogrom's 2000 Muslim elders, women and children charcoaled by Bajrang Dal zombies ain't got thing to do with Qutubuddin Ansari and Ashok Mochi Bollywood Brotherhood.

Ansari & Mochi are Modi's lowlife pollsters in Kerala.

You must be kidding.. Ansari & Mochi sang the Anti-Islamic song: 'Hai Preet Jahan ki Reet Sada' of that Islamophobe Hindu actor Manoj Kumar

who ignited the war against Islam in his Purab Aur Pachim movie back then in 1970.

2002 Gujarat Pogrom Hanste Zakhm` means "Laughing Wounds" it is laughing at every Hindu and Muslim who ain' t bring the real criminal to justice. He' s daydreaming to clinch Rashtrapati Bhavan by turning civility to chaos manor.

Chief Minister Narendra Modi accused of initiating and condoning violence, he lead police and government officials to direct Bajrang Dal zombies rioters to Muslim-owned properties. Modi cleared of complicity in violence by Special Investigation Team appointed by Supreme Kangaroo Court of India.

Modi can save his life by chewing the microphone saying: 'Sorry! I didn' t do it; they did' than supporting Israel to intimidate Muslims. Let' s see how long his Zionist "Creole Waltz" will stand on the dance floor?

Hindus & Muslims have one thing in common, both religiously believe in 'BADLA' means VENDETTA. Politicians love that.

Gujarat Pogrom ain' t India' s Kangaroo Mock Supreme Court issue in which law doctrine & integrity insulted and justice tainted. It' s the underworlds' . It' s cheaper, cleaner and everybody happy except Modi. Who cares anyway?

Disagreement is healthy attitude. Politics is sport not martyrdom. If you ain' t stoic talk cricket.

Flagging 'FACTS' offensive ain' t turning 'em 'FALSE' . It will get 'em nowhere.

Bored Potus: he' s rudely brushed aside by the press who' re horny about when and how Obama gonna fuck the Ukrainians in the Ass next.

Netanyahu is an Excess Baggage. He goes to the Oval office [uninvited] as if he goes to the bath room. I am amused how the Jewish lobby owns POTUS itinerary.

Obama must look right through Bibi and tell him that America ain' t an Israeli-Bitch-State no mo, he must go home and don' t come back unless he' s summoned by either the congress or the White House and not by AIPAC.

Someone must tell Bibi that he' s ain' t Obama' s boss.

It' s a miracle if Bibi can get Obama' s attention after he' s humiliated and got slap in the face from Tsar Vladimir-V.

Israel costs US tax payers \$10M per day and free boarding at Blair House. There ain' t an edge comes in my mind besides that-B0000RING Iranian nuke Redherring that Bibi exploit to extort all those Ungrateful American Jewish Beasts to pressure the White House for more money more arms [of course it has to be

free] and rig any peace treaty with Arabs. During his latest two terms Bibi groomed a huge clout of self-destructive anti-peace Zionists right-wingers. He's been promising stateless settlers homes and jobs that he ain't no mo. Israel is at war within, there're daily protests against draft by orthodox Jews. As long as Israelis and Arabs ain't adult enough to fuck each other without using Washington as condom. Don't blame me for your menopause I am going ANAL anyway. Hold your breath. You don't get it do you. Abbas ain't got no power to give or take an inch in Palestine ain't even in Tel Aviv cemeteries where Jews buried for centuries. The HOLYLAND ain't either Palestinian or Jewish it's Islamic and Christian Lands are Jews & Palestinians are stateless predators habituate the Holyland during Othman Empire conquests. Give it up before you're exodused to Auschwitz.

Chinese Political Advisors pay silent tribute to victims of Sat terrorist attack on Kunming. Bloody Coldblooded HUN murderers, they steal Muslims, Hydrocarbons, Rare Earth Minerals, and Precious Stones. To Devastate Muslims Beijing funded HUN to move to Muslim cities, control their marketplace and leave natives unemployed, pushing Muslims into deep poverty. PLA commit genocide against Muslim elders, women and children as we speak. Who's paying silent tribute to that? Probably Saudi Wahabi Mountaingoat who're waiting to decivilize 'em.

Toda Rabah Sheikh Mikhail. What are you gonna do about Ukrainians who play Jew to get Israeli citizenship, IDF training and flea to Ukraine to fight as terrorist for Nazis.

Here' s Delta who has no name wearing yarmulke fighting for "wolfsangel" Oleh Tyahnybok Svoboda' s leader.

In 2004, Tyahnybok urged his party in televised speech to fight "Moscow-Jewish mafia ruling Ukraine."

Delta defends Svoboda: "What they' re saying about Svoboda is exaggerated; I know this for a fact. I don' t like them because they' re inconsistent, not because of [any] anti-Semitism issue."

Delta ain' t exists he' s a fiction invented by JTA to cover crime committed against Jews interest in Ukraine. In short. A good Jew is dead Jew in Ukraine.

Unless they rig the race; Israelis bet on wrong horse as usual. I don' t know what they' re trying to prove besides being too Jewish to survive.

Guerrilla warfare ain' t conquest to CONQUER and GOVERN but "Hit 'a' Run". Guerrilla got to keep moving to minimize casualties and save on ammunition. They' re sitting ducks if they stayed put. They got to flee and capture greater targets & strategic spots. The best tactic to get Assad is to turn Assad' s stalemate against 'em to exhaust his troops and drain his treasury.

Since your precedent source is PRESSTV. You can shove your breaking into your Ass.

More than 50% of Israeli Jews are right-wingers. Prove it girls. I like some of those right-wingers to fly to Germany or the Midwest say it to "JUDENHASS" skinheads and Beerlouts or GUNHAPPY Rednecks. Rats are Leopards at dark. Israelis ain' t got balls to hire a Jew to run their crude propaganda and anti-Semitism in Germany lest he' s attacked and lynched by "JUDENHASS" skinheads and Beerlouts. they hired a ROADKILL as Vijeta Uniyal an Indian.

Israel is betting on wrong horse as usual. I don' t know what they' re trying to prove besides being too Jewish to survive. They daydream of a HOMERUN if Modi wins. BJP will get Delhi in one case if AAP and Congress are banned outta Politics. Let' s see how Israel can rig the polls for Modi or change the Status Quo. Then will have 911 every weekend in Ahmadabad. They' re a lot railways stations there.

Hahaha I didn' t know how dumb Angela Merkel was until she said: "Germans are unfamiliar with constant fear of terror attacks Israelis live with daily" Netanyahu was masturbating during the speech. As matter of fact Angela Merkel was devastated that how Benzion Mileikowski got away outta Auschwitz and fled to Palestine to raise a dumbass Israel' s handicap alas BIBI. "50 years of friendship" my Ass. I love to see an Israeli wearing yarmulke and walking in Berlin, Bonn or Munich without being shouted at "Judenhass" and attacked by a skinhead or a Beerlout. How can Bibi stop that? Israel Security. My Ass! What? from who? Hezbollah FATASSes or Palestinian Traitors. Hahaha. I didn' t realize how cowards Israelis are? I will take Bibi seriously if Taliban was neighboring Israel not Egyptian, Jordanian, Syrian, Lebanese, Palestinian Monsanto fed Looosers that some Urban Rejects who fled east European sewers and surfaced in the Holyland scat on those dumbasses foreheads. Quit the crap. Raphael! Merkel is in Israel to square HOLOCAUST reparation [Everything Paid] courtesy of the HOUSE of ALSAUD. It ain' t because of Palestinians are innocents but because the world despise ain' t stand both of you.

Albert Einstein is as dumb as Noam Chomsky in Middle East Politics. I admire Netanyahu that he really outfucked ARABs when it comes to fucking Palestinian Traitors. He sends ‘em to loot the whole world and bring all their spoils to Israel. Basically Israel steals the world wealth. In such situation would USA protect Israel as the whole world spurn Israel’ s existence. Here’ s the good news... Israel now on its own. Israel clinching to Saudi, Iran, Bermuda and Palau as allies without ‘em got none. I wonder why Bibi so stooopid to invite Assad to declare in public his father’ s secret alliance with Israel that safeguarded Syrian regime for over 50 years. He will do anything to stay in power.

It’ s the same PENTAGONJUNK that Uhauled by Iran to Hezbollah, Houtie, Maronite Phalangists and Alawites to kill Sunni in Yemen, Lebanon and Syria. If you think that Khamenei too smart to be on his own on this one then you need to be quarantined because you’ re too Jewish to outfox a dumbest Arab. Khamenei ain’ t masturbating without his masters’ permission in Tel Aviv. Khamenei will arm Iraq free to kill Sunni but he’ s ain’ t got balls no mo.

REPLYING UPROOTEDPALESTINIANS: Netanyahu calls the whole World Anti–Semites. Bibi is right. What took him so long to admit it? It ain’ t because of Palestinians are innocents but ain’t stand both of you. Albert Einstein is as dumb as Noam Chomsky in Middle East Politics. I admire Netanyahu that he really outfucked ARABs when it comes to fucking Palestinian Traitors. He sends ‘em to loot the whole world and bring all their spoils to Israel. Basically Israel steals the world wealth. In such situation would USA protect Israel as the whole world despise Israel’ s existence. Here’ s the good news... Israel now on its own. Israel clinching to Saudi, Iran, Bermuda and Palau as allies without ‘em got none. Bibi can invite Assad to declared in

public his father’ s secret alliance with Israel that safeguarded Syrian regime for over 50 years.

PSST: It’ s A–Dawa Wa A–Tabligh! Avi Issacharoff; An affiliated Saudi Wahabi Mountaingoats sleepercells alas spoilers. They exploited Palestinian Traitors as condoms to penetrate Patriot Palestinian masses feeding ‘em Monsanto to peter outta “CAUSE”. Islam ain’ t charity and funeral mantras it’ s the Kingdom of God STATUS Quo. HUMUS was nice REDHERRING to get my attention. Kudos Avi Issacharoff.

Now you’ re talking. I knew it. It’ s coming. I nest in Israelis little mind and influence them to move foolishly to where I want them to be. Last week I wrote quote: “Bibi were devastated to watch John Kerry beating Istiqlal Mosque drum in Central Jakarta. John Kerry [his mother was Jewish] never bothered to blow Shofar during all his trips to Israel or any synagogue in USA.” unquote. Now Read Times of Israel title please: “Newfound Jewish roots gave Kerry a ‘deep’ bond with Israel” is that something? Paul Valluely from Bad Samaritans to Islam is quite an interesting move. 1868 words on 4 pages of GoogledJunk and WikiTrash. That’ s what Order of St Michael and St George all about. You earned it Paul. Shiite had been mast☆rbating into their women’ s over–fertile vulvas to outshine the 8% off Sunni domination for centuries. That’ s the neighborhood they share with Ahmadi, Aghakhani, Alawite, Dorzi, Abadi etc. This stat is accurate because if you kill a Sunni ten Shiite die. Hindus please stay away. You hear me. Back to Britain’s leading Muslim politician, Foreign Office minister Baroness Warsi, Why the helll this deranged Paki B☆tch fooling around down there. Oman ain’ t democracy to visit it’ s a Thugocracy. Hypocritically She said quote: “Religious tolerance of Sultanate of Oman a model for Islamic world” unquote my TAILGATE! This Mosaic Rhetoric brings to mind Ayah 61 Surat Albaqara in holy Quran. When the Israelite Herbivore Hikikomori got bored eating pheasant for breakfast, they asked Moses [PBUH] to ask God to get them Daa, Horse Bean [foul], garlic, onion and melon. Israelite lost their mind. Moses sarcastically told the Israelite: “that slaves’ food. Get back Egypt. If you wanna be vegetarian”. they’ re captured and sent back to slavery by the pharos. This biblical rambling fit Oman analogy metaphor that Baroness Warsi suggested. Oman is 3 million bluff: 1.5 million Sunni Keralite, Pakis & Bengalis, 1 million Sunni Arab & Balouch and 0.5 million Pagan Ibadite

partnering with Shiite, Hindus, Christians. To LANDUP in good job or business deal in Oman you need either to shag the Sultan or convert to Pagan Ibadite or else flea to Ahmadabad to pollster Modi. Flagging facts as ‘offensive’ ain’ t let your scr☆wups go away. On the contrary you will be remembered as that j☆rk who scr☆wedup his argument, cursed and tagged dishonest though probably you ain’ t. Go ahead and disable the above reblog button. I got my own. I am reblogging it anyway. Go on and watch it on your reader.

Everything went fine and SEVEN Stars until ISRAELIS tainted the whole movie with JEWISH martyr pilot called Friedrich Sternberg who Painted David Star on his plane.

Don’ t worry. Keep watching. The Zionists crude propaganda didn’ t fly over 7 minutes in the whole movie.

Israelis are testing the water of the German Cinema industry, they wanted to fuck them as they’ re fucking Hollywood as we speak.

Thanks to Saudi–GCC Petrodollars Surplus that doled to Israeli Seigniorage Banksters to blow innocent minds with trash and turn smart people to Dumb ISLAMOPHOBIC Zombies.

THE RED BARON alas Der Rote Baron is World War I fighter Pilot Manfred von Richthofen autobiography.

I skipped watching it 5 times due to poor intro.

Last night I tied myself to the bed, chewed a lot of COCA and watched it.

It took me 15 minutes of mind torture to ecstasy. Enjoy

Sometimes Stoopidity ain’ t only virtue but a gift.

It’ s a miracle Avi didn’ t address the boring Iran Nuke Hoax to the Conference of Presidents of Major American Jewish Organizations.

Avi likes to pledge \$365 million per year to improve Jewish education in Israeli schools. The same Jewish education that killed Jews for the 7000 years and minimize Jews from the one–and–only religion to the one–and–only endangered species of human race on planet earth.

Come on Girls! Avi is bluffing he needs EARS and MINDS of Stateless Settlers and Orthodox Jews to support ‘em to stay in power for LIFE as TITUS to burn down Israel. He’ s a bouncer he can do it. You never know. Kudos Avi.

Jews crave for war. Only Shimon Peres believes in peace. Just kidding! I got to switch to Organic Pot.

Israel’ s Minister Avigdor Liberman said: “3.5 million US Diaspora Jews must immigrate to Israel in 10 years, so that the Jewish population in Israel must exceed 10 million, I know this might sound unrealistic to some, and others will say that it is merely a slogan. However, if you will it, it is no dream.”

DUMBDOWN PADDY O’REILLY: “Obama Gemini of George Bush” that’ s a lot of dishonesty for the day.

Paddy lied to Jimmy Kimmel that he went unprepared. Comparing Bush ‘the–kid’ to Obama requires an army of THINKTANKS to save him from FOXNEWS Zombies who loathed every moment of Paddy interviewing POTUS.

Paddy said quote: “I have to interrupt the most powerful man in the world” .
Unquote. Is FOXNEWS put for sale again? Call Putin may be he’ s interested.
I ain’ t forgiving Paddy no mo.
Yesterday I said to some FOXNEWS ZOMBIES: “To screw Limbaugh, O’ Reilly, and Coulter’ s extreme right Conservatism schizophrenia; Americans doled America to ‘the enemy’ even worse; to Liberal Hippies” .
Guess what was his answer? Quote: “you have bad attitude” unquote. You’ re welcome.
They will lose the House, the Senate and the White House next election. Mark my word.
It took Paddy 200 hundred years to realize he’ s an old time journalist.

BYPASSING ABBAS BIBI GAME. If Ismail Haniyeh didn’ t know that he’ s the Godsend Zionist ally who armed Israel to the tooth free of charge. Then he must shoot himself in the head. Sometimes Stoopidity ain’ t only virtue but a gift. Ismail Haniyeh aided Bibi to extort the White House beautifully in every IAPAC Blackmail Convention. Haniyeh was ‘the vulture’ that lays Golden Eggs for Israel. Iran ordered Shiite of Iraq to UHAUL to Israel \$80B worth of military assets gathered from 88 closed US Bases in Iraq. Thank you Asshole! Iran shipped all its weapon knockouts to fuck Gaza by arming Ismail Haniyeh’ s bandits to kill each other and keep Israelis safe from Gazan. How many Israelis have Hamas rockets killed beside the one and the only drunk Thai farmer popped 3 years ago. IDF probably send him to his death as Guinea Pig for testing Hamas Rocket impact accuracy.

TO ALL MY FELLOW GANJAPRENEURS:
PSEUDO LEGALIZATION OF MARIJUANA.

Pot is banned because Marijuana’ s primary psychoactive ingredient THC (delta-9-tetrahydrocannabinol) chronic intake can halt Simian immunodeficiency virus progression in SIV-infected macaques and ultimately protects critical immune gut tissue from damaging effects of HIV infection. The funny thing is that Nixon’ s 1973 ‘executive order’ Creating DEA, scheduling marijuana as schedule one with ZERO medical value.

HAPPY HACKING ASSHOLES.
REPLYING FORTUNASCORNER: Siobhan Gorman must be kidding: “It took the Navy 4 months to purge Iranian dumbass hackers” How much did Rupert Murdoch from Iran to get Siobhan Gorman publish such stoopid statement. I couldn’ t agree with her more.” I mean “I totally agree with Siobhan Gorman that NSA IT sysops are too vulnerable to Iranian cyber attack simply because they hire scion grafts. Whenever NSA IT sysops get in trouble they cover their asses by assigning DoD–No–Bid Privileged contractors to do their dirty work. These DoD–No–Bid Privileged contractors also as dumb scion grafts as the Navy and NSA they watch too much Hollywood. They outsource IT troubleshooting to some dumb Tamil Nado kid who would sell his mom’ s vulva for Ten Rupees.

Iran outfucking America in cyber war is ain’ t but media whores manure it’ s a very expensive false flag to Redherring fools away from a greater blunder-in-the-making.

DUMBDOWN JOE. You need larger balls between your legs than brain to impeach a Black President.

Albeit Obama ain’ t my favorite belly-dancer.Let me tell you about myself; I am DIEHART BLACKBELT Paulite LIBERTARIAN ain’ t liberal hippie. Politics For me ain’ t religiosity it’ s scam that I master to sport and expose.

If you think that those Supreme Court Looosers as Sotomayor, Breyer, Samuel Alito, Kagan. Thomas, Scalia, Roberts, Kennedy, Ginsburg, 435 US Congress representatives, 100 Senators that’ s off course includes the Kochsuckers Teeebaagerzz spoilers across the aisle will impeach Obama then you need to be behind bars in Siberian gulag, because you’ re too dangerous for the existence of Republican Preppers and you caused World Diabetes, the Global Warming, Branglina’ s Babies Acne and the Death of Michael Jackson.

Yesterday I said to some FOXNEWS ZOMBIES: “To fuck Limbaugh O’ Reilly Coulter’ s Conservatism schizophrenia; Americans doled America to ‘the enemy’ even worse; to Liberal Hippies” .

Guess what was his answer? Quote: “you have bad attitude” unquote. You’ re welcome.

Mark my word. You will lose the House, the Senate and the White House next election.

How about this nightmare for a change? Hillary as POTUS, Bill as FLOTUS [pardon my gender preference], Schumer as Senate Majority Leader, Democratic Caucus Chairman and Maxine Waters as speaker of the House.

Republican got lucky to’ have ‘ho Nigga’ at the White House who’ s blamed for GOP fuckups. Imagine a DUMBASS as Paul Ryan is Republican and he’ s the dollar-sense THINKTANK of the party. How safe would one be in America?

Show me one virtue to go REPUBLICAN if you ain’ t either WHITE or WASP unless he’ s a lowlife opportunist hypocrite that I loathe to death.

Back to your question. Why Can’ t We Impeach Him? The answer in short is ‘NO’ . Grow-up or I call your mom ‘cause you wanna impeach his black ass.

Here’ s the deal--- rename Obamacare to Boehnercare and everybody will go home early.

Flagging facts as ‘offensive’ ain’ t let your fuckups go away. On the contrary you will be remembered as the jerk who fuckedup his argument, cursed and tagged dishonest though probably you ain’ t. Go ahead and disable the above reblog button. I got my own. I am reblogging it anyway. Go on and watch it on your reader.

“I was fortunate enough to kill a dandy bull with my bow, one that is still my best to date.” VANTAGE POINTS. Don’ t blame me for your menopause. When their founding fathers landed in America. There were miasmas of hundreds of millions Buffaloes, Clouds of gazillions of pheasants and schools of zillions of salmon. Now their broods are importing Monsanto-fed GMO beef from New

Zealand, Cloned Salmon from Chile and garbage-fed poultry from brazil. I was so GREEN all my life until Al Gore took over. If your parents didn’ t teach you how to lie? Then WATCH Steven Spielberg, ‘The last Days movie’ to see how Jewish Bitches and elders RELIGIOUSLY master the State of the Art of the Lie… enjoy. Oh boy. Idiots never learn. I am amused how those German cowards ain’ t got balls no mo to stop Steven Spielberg and his dumbasses blowing innocent people’ s mind by holocaust bullshit.

REPLYING BRITTIUS☆FORTUNASCORNER☆WARSCLEROTIC☆COUNTERJIHADREPORT: Persian Empire My A☆☆! you’ re literally too Jewish to be smart. Quit GoogledJunk and WikiTrash for Elvis Penis sake. Rafael Ofek. You got my attention what you need more. Bibi were devastated to watch John Kerry beating Istiqlal Mosque drum in Central Jakarta. John Kerry [his mother was Jewish] never bothered to blow Shofar during all his trips to Israel or any synagogue in USA. Jakarta breaking is great opportunity for Bibi to vitalize the forgotten Iranian nukes hoax to survive his boring tenure of Likud doing nothing. Where would you think the White House is hiding Paki Nukes away from Taliban? If Benzion Mileikowski alas Benjamin Netanyahu is too stooopid-thick to know that Iran ain’ t got it then Bibi seriously needs to be quarantined in an Auschwitz. Let’ s have some civility here. FOXNEWS zombies. PSST: the skin-covered drum beaten to awake napping Muslims to rush to bathrooms to wash and go back to pray at Dawn. Skin-covered drum ain’ t beaten to call for prayer. Dumbass!

Bahrain is torn between two hells. GCC Thugocracies and Khomeini Fuckocracy. Shiite majority allowed Sunni minorities rule ‘em for centuries until Shiite went to school and learn how to turn Bahrain to another Iranian Bitch State. The White House support both depends who bribes more and buy pentagon junk to kill their own people. Democratization is White House’ s taboo and Iran is

its extortion weapon against GCC Thugocracies. Pay or else democratized or will get Iran devastate your civility. As Iraq, Syria, Lebanon, Yemen and now Bahrain. To fuck Coulter’ s Conservatism schizophrenias; Americans doled America to ‘the enemy’ even worse; to Liberal Hippies.

Friday, January 18, 1788 James Madison.

Will it be said that the fundamental principles of Confederation ain’ t within PURVIEW of convention, and ought not to have been varied? I ask, What’ re these principles? Do they require that, in establishment of Constitution, States should be regarded as distinct and independent sovereigns? They are so regarded by Constitution proposed. Do they require that members of government should derive their appointment from legislatures, not from people of States? One branch of new government appointed by legislatures; and under Confederation, delegates to Congress may all be appointed immediately by people. Do they require that the powers of government should act on the States, and not immediately on individuals?

What the real name of Wood is before he landed in Bronx and goes Christian Apologist, he clinched degrees in philosophy, biology, and in pursuit of Ph.D. in religion philosophy at unnamed some institution in US. What outhouse can that be? What’ s the ISBN of his unnamed source? Prophet Mohammed [PBUH] did what Moses did to Jewish Traitors who Jethro warned him about during Exodus 2:11-12 to Median: Turn their bones to toothpicks and chopsticks. “I couldn’t agree with you more.” I mean “I totally agree with you!” David Wood got lucky to lure Anglosexual Geographical Muslims who enjoy grammar as having sex debating a dumbass urban reject who fled our sewers and surfaced in the Bronx. Flagging fact offensive ain’ t let fuckups go away. On the contrary it will be remembered and you will be knighted and tagged dishonest though probably you ain’ t. U.S Police Chief Yohanan Danino addressed the phenomenon, acknowledging that mob attacks in midst of bustling cities crippling citizens’ sense of security, and saying he considered them to be a form of “TERRORISM.” are you kidding Israelis are killing each ain’ t that something, they’ re having fun. ‘TERRORISM’ hell no. it has to be Arabs or Muslims to legit. That’ s why both the assailant and the victim identity kept secret.

REPLYING JOHNIB PEACE AND FREEDOM: It’ s ‘Saudi’ not ‘Saidi’ . Richard Cranium. Your headline quote: ‘SAIDI ARABIA SENDING AIR DEFENSE MISSILES TO SYRIAN OPPOSITION’ unquote, is misleading and dishonest. Since WSJ breaking says quote: ‘U.S. ALSO GIVING FIGHTERS MILLIONS OF DOLLARS FOR SALARIES’ unquote. Nevertheless WSJ Middle East correspondent Maria Abi-Habib is Pro-Assad Hezbollah Maronite Phalangist ain’ t eligible. WSJ has no argument since Maria Abi-Habib ground truth is rigged. She’ s using WSJ dumbass thug Stacy Meichtry as condom to pierce into US fools hollow minds. Google... ‘Saudi pledge one billion dollars to arm’ the Pro-Iran, Hezbollah infested, Maronite Phalangist Lebanese army to fight McCain Germs and Graham Bugs in Syria. Ain’ t that something? If you’ re too Jewish to think that Saudi Arabia’ s Wahabi Mountaingoats would ditch their Thugocracy State Quo to save Syria then you really need an undertaker. Allah Holocaust 15 million Jews in Auschwitz Dachau Birkenau. The English Version of Sahih al Bukhari that you’ re referring to were authored by British authors during their rein in British India. You’ re literally too stooupid Jew to get your facts right. The Israelifirster Frank Gaffney as many Zionists who’ re shagging America is too Jewish to dubmdown. Obama Administration has the right to partner with Muslim Brotherhood as many Terrorist Parties in Israel, the Likud, Kadima and Yisrael Beiteinu.

BJP’s Prime Ministerial Candidate Narendra Modi’s ‘Chai Pe Charcha’ campaign ain’ t lucrative for RJD President Lalu Prasad, he ain’ t bet on wrong horse, Lalu is ‘Chaloo’ he knew that Modi stand no chance to clinch Grandeur of Rashtrapati Bhawan, Modi dug his own grave in Muzaffarpur. Modi got one chance to win if Congress picks Rahul Gandhi or AAP quit the race.

As the rest of South Asian Thugocracies, Thailand riots were another ‘Dog and Pony show’ . Thailand’ s Constitutional Court is another Kangaroo Mock Court in which law doctrine & integrity insulted and tainted justice let thugs loot the Thailand right and left at daylight. Thai protesters are Delusional Zombies: Distraction, Diversion and Division. Now I firmly believe that Thaksin Shinawatra still rules Thailand by Remote Control from Dubai. Suthep Thaugsuban accepted Thaksin Shinawatra’ s Bitch–Sister Yingluck Shinawatra fuck Thailand for 4 years. Suthep Thaugsuban ain’ t inviting a Coup d’ état to marshal Thai military to take over the whole country but to crackdown grassroots. More blood more Baht. Suthep Thaugsuban blessed Prime Minister Yingluck Shinawatra move to pardon her fugitive brother Thaksin Shinawatra and bring ‘em home untried. Suthep Thaugsuban knows this bill will get his zombies hit the street to hinder the Thai ailing economy nose dive. It’ s a stoopid boring Thai game to Redherring the grassroots movement away from corrupt corps looting the country as we speak. Rice scam for instance to begin with.

If that’ s really true; why applicants have to fill forms to use the bathroom. UAE will be faster economy if they quit using dinosaur computers and stick to ‘the good old papers’ trail instead. E–Gov ain’ t distinctive between real time IT Penetration robotized by AI and being Third–World Gadget Junkies wasting commonwealth on Junkscience.This breaking is pointless unless it is one of those ‘Crude Propaganda’ to worthy the worthless. Don’ t flag this as an offensive comment. I mean no harm. Deleting it ain’ t helping E–Gov to rank UAE first but would question the credibility of UAE going third. too mean; he should taken ACCENTURE DUMBASSES to Paddy’s Irish Pub to Enjoy another Pint of GUINNESS in order to rank UAE First than Third.

Before being ‘Ashraf Islam’ who’ s he anyway? [A worthless Irish road kill] who was born Mark David Townley in Belfast but changed his name by deed poll, has previous convictions for dishonesty and for involvement in an attempted robbery. Now he will go down the history as the Terrorist who devastated the Reptilian House of Windsor. Why Mark David Townley would kill Prince Harry? Your answer ain’ t published yet. That’ s what I like to read on this breaking. Here’ s the deal--- He’ s thrown in prison for 3 years because he’ s an Irish shoplifter who changed his name from Decent Catholic name Mark David Townley to awful Paki name Ashraf Islam and shouted: “Allahu–Akbar am gonna kill Prince Harry” that’ s a day after beheading soldier Lee Rigby in Woolwich. Mark David Townley now on-his-own in British Prison can shag any Monsanto GMO fed inmate and convert ‘em to Islam, he’ s prayers is answered. What he needs more. Who’ s the loser here? Prince Harry of course! He should give Mark David Townley more attention...

No one dare to publish Real Indian bankruptcy lest their equity lent to failing Thugocracies evaporates, they ain’ t shoot themselves in the foot. They’ re Partners–N–Crime. As long as Congress & BJP hounds own the minds of the streets the Seigniorage Banksters Sharia Scam will prevail. Here comes the ‘Bankruptcy Clown’ Vijay Mallya. India ain’ t Hindustan as yet it’ s a Mickey Mouse British Colony. As a distant Arab I am amused to notice that even the Zionist Holocaustphile Film Director Steven Spielberg admired Ambani burning away his Indian loots into failing movie dreams in Hollywood. Ambani is getting poor Indian consumers pay his losses in Hollywood. Now I know why Mukesh Ambani was trying to sell Indian hydrocarbon reserves in the Arabian Sea to Oman. He’ s f☆ckedup. If Kejriwal ain’ t let Mukesh Ambani jack gas prices Congress & BJP will rig the whole economy to evaporate poor people saving to rescue Mukesh Ambani. Guess what? Mukesh Ambani is suing Kejriwal for ain’ t letting ‘em loot India. I am so scared. Kejriwal is too vulnerable to govern India he might get shot in the head by the underworld. Kejriwal is very PATRIOT but NAÏVE. [Kejriwal bhut joshi aur boola hein]. 66 years of indecency; Congress & BJP sold India’ s commonwealth to thugs to stay in power. Congress & BJP ordered RBI to print trillions of rupees outta thin air to bailout failing thugs. Corrupt Parliament, Bribed Chief Ministers, Underpaid Police, nesting Army and Indian Kangaroo Mock Court in which law doctrine & integrity insulted and tainted justice let thugs loot the nation right and left at daylight. Kejriwal is too little to stop hydrocarbon price hike. India needs an Arabspring-type tsunami to survive. India is run by GHONDHAS as Modi, Sharad, Lalu, Sonia, Dawood not

Anna. May god have mercy on poor people’ s souls. Kejriwal next raid must be Lakshmi Mittal. Congress & BJP doled to Lakshmi Mittal 66 years of Indo–Soviet Trade Reserve’ s Trillions of Indian rupee to become World Steel Mogul. Money ain’ t grow on trees no mo. It’ s printed outta thin air by RBI for speculating Gondhas waste elsewhere and let poor Indians pay for their scr☆wups. Don’ t flag this as offensive comment. Removing this ain’ t stopping Mukesh Ambani, Lakshmi Mittal and Congress & BJP Thugocracies loot Indians.

‘The Change’ is Obama’s first immigration action since the State of the Union to use more executive directives. Now Dumbdown. Girls! If ‘The change’ doesn’t specifically address “freedom fighters” who fought Thugocracies, including rebels who led revolts in Arab Spring uprisings. Then it’ s perfect for traitors who aided Obama to shag their own countries and devastate their own people to win green card. These ungrateful hyenas fled our sewers to surface in Tiffany’ s, sucking-in American Generosities, DECIVILIZING Neighborhoods and turning UTOPIAS to slums where they used to belong. They feel homesick when they’ re in Time Square or Broadway. Morteza Assadi of Northern Virginia metaphor is representative specimen.

French troops enjoyed watching scenes of absolute horror. Let's see who would commit suicide first? Christian Militia mutilated corpse of Muslim minorities that they killed with machetes in Central African Republic. Let's see how long will Africa laugh? Members of the Anti-Balaka Christian militia gathered, including children. They cut one man's genitals off and put them in his mouth. People were filming this on their cell phones and many were laughing. When we left the scene, they said: "Keep on filming, because we're not yet done."

It’s a ‘Hanste Zakhm’. Muslims wanted Modi to chew the microphone and say “I didn’t do it. He did it”. If Sirdarjee shot Indira Gandhi for crime she didn’t commit, Nehru did. Then the underworld will find Modi a sitting Duck. Sending Rahul to hit the street is stooopid congress strategy to prop-up Modi to pop Congress’s worst nightmare ‘AAP’ during their infancy. “I couldn’t agree with Sharad Pawar more.” I mean “I totally agree with Sharad Pawar!” but he’s a gangster. Despite the fact that Dawood Ibrahim ain’t my favorite belly-dancer I trust him over Sharad Pawar in Delhi politics. January was good month for Modi campaign pollsters, first Salman khan, then Lata Mangeshkar and Marie Harf. Now we have Sharad Pawar. Modi campaign pollsters got to DUMBDOWN and let Modi talk to Muslims than provoking ‘em by his Hindu schizophrenias. My personal advice to Modi to quit using obsolete Sanskrit words to cover his Hindustani Basha handicap in his daily boring speeches. Since his English is ‘bad’ let ‘em talk either STREETSMART Hindi or shutup if he wishes to forfeit to AAP.

Modi is making India weaker and weaker every day, watch the nose diving RUPEE for instance. Sharad Pawar is bluffing when he said that India is number one rice exporter. Vietnam is. Who the hell care about cotton export? After all cotton ain’t cash crap as marijuana or supari. If you’re anti-knowledge, ain’t stoic to read it. Go ahead and ban it. I am reblogging it anyway.

As rightly described by John “Teflon Don” Gotti the Gambino crime family Boss of New York City back in 1957 when he refused to deal with the drug cartel run by FBI then, he said: “America is a ‘Disintegrated Country’ loyalty ain’t perceptive no mo”. Don’t worthy the worthless. As Bobby Jindal he’s cheaper than a redneck and smarter than Ho N☆gga. Neel Kashkari ain’t Indian he’s Kashkari pundit b☆st☆rd from Kashkar a Chinese province [now]. The conquered Indian Army Sirdarjis forfeited Kashkar to China and fled the battlefield during the Indo–Sino war in 1960. Quit m☆sturbating outta Chinese phallus. use your own. Neel Kashkari is Hank Paulson’s Toyboy, they met in Wall Street’s zombies mating ground alas Goldman Sachs. He was brought by Democrat hippies to dole \$700B fiat to bankrupt bankers in 2009. Using inside trading secrets he made every congressman and senator rich across the aisle until Dennis Kucinich busted him and accused him of fraud on C-span dog and pony show. Kashkari were fired on the fly. All his

subordinates got heart-attack and in coma. He was confined to psychiatric care. Three years later he was spotted by some paparazzi shagging his own dogs in the Rockies. Ain't surprised to watch Neel Kashkari resurfaced in Laguna to run for governor. Arnold Schwarzenegger done it using Maria Shriver vulva. Why not Neel? With all those stimulus loots that he pocketed with Hank Paulson during the bailout Neel Kashkari can be the next US President. If you're antiknowledge, ain't stoic to read it. Go ahead and ban it. China Train Station Mass Stabbing: 33 Dead At least 33 people have been killed and more than 130 wounded in a mass stabbing at a Chinese railway station. According to Chinese state media, the “organized and premeditated” attack at Kunming train station in the country’ s southwestern Yunnan province was carried out by separatists from the volatile Xinjiang province in the far west. Reports from the city suggest a group of people armed with knives entered the train station at about 9pm local time on Saturday and attacked travelers with knives indiscriminately. Photos on Chinese social media show horrific scenes with blooded bodies and luggage strewn across the station concourse. One local resident, Yang Haifei, told China’ s Xinhua news agency he was attacked and sustained injuries on his chest and back. Mr Yang said he was buying a ticket when he saw a group of people, most dressed in black, rush into the station and start their attack. “I saw a person come straight at me with a long knife and I ran away with everyone,” he said. Unconfirmed reports suggest police shot and killed some of the attackers and detained others. Chinese police are not routinely armed which may explain why the perpetrators were able to attack so many people before being stopped. According to eyewitness reports seen by Sky News, there is tension across Kunming amid concern that further attacks may be planned at other locations in the city. Train stations in Chinese cities are vast and usually extremely busy. The Kunming city government said the attack was orchestrated by ethnic separatists from Xinjiang, according to the official Xinhua news agency. Extreme elements of the Muslim population who live there have carried out attacks in the past - most recently in Beijing’ s Tiananmen Square last year. The Uighur Muslim population in Xinjiang believe their freedoms, culture and religion are being eroded and severely restricted by the Chinese authorities. Xinjiang, 2,500 miles to the north of Saturday’ s attack, has experienced repeated outbreaks of violence but the Chinese authorities have largely managed to contain the violence.

KABOOAM TIME: If you want to assassinate your opponent’ s character. Don’ t do it yourself. It ain’ t flying. Get someone to do it for you.

For the sake of the good old days. I advise SISI to let Morsi's kid go home and enjoy pot. Morsi upgraded SISI to General to save him from Egyptian Belly Dancers, SISI used the bartenders to overthrow Morsi. SISI is trying Morsi for delivering the Egyptian nuclear bomb blueprints to Iran. In this case Anarchy is the best solution so far. Egypt is a disintegrated society, Egyptians' as Ukrainians' loyalty is "Controversial" and "Conspiracy Theory". Egyptians ain't giving damn about who runs Egypt as long he hires 'em as parasitic nutjobs, eating subsidized Monsanto, fucking their women and raising deranged zombies. What took 'em so long? It's about time to grow up and arm the rebels to free EGYPT from Military Junta. Seese is foolish to think that a Field Marshal can govern Egypt at gunpoint, he's playing in the injury time. Egyptians are running outta Monsanto. Famine is imminent. Protests and civil disobedient ain't working in Egypt. Freedom ain't Free. Prosperity ain't growing on trees no mo. It must be earned by martyrdom. 63 million lives sacrificed in 6 years to enjoy Europe civility today. Egyptians got to shed more blood, tears, sweat and coccaaaaain outta their nostrils to get their country back. Don't downgrade martyrdom to suicide. Why should I assassinate my character? Waleed Shoebat is liar, he is terrorist used to murder Palestinians who oppose Yasser Arafat. He fled to USA and converted to Christian after his boss Yasser Arafat murdered by poison by Israelis. These ungrateful beast disappeared from our sewers and surfaced in Texas. wow it's a miracle

Valerie Jarrett deserves better than Paddy Bill O'Reilly to extract painful politics. She's too Jewish to be outfoxed by Paddy's little mind. You need someone like Phil Donahue to grill Valerie. She kept her promise to get Obama the White House twice without the need of Israel's support, she said: 'am Dirty Jewess' and Jews will crawl to her to do what she wish 'em to do. If Valerie Jarrett ain't geographically Jewess she's the best contender to get WHITE HOUSE 2016 for the democrats. Breitbart hailed: 'Dead Muslim is good Muslim' that's what your zombie enjoyed reading. I am very much surprised to see that Breitbart got Muslim as Breitbart London Managing Editor Raheem Kassam. Was it Saudi and Abu Dhabi donation or have you lost your minds. Getting Anglosexual Geographical Muslim as an editor for Breitbart London is a Blesamphy of itself because he will mind his grammar as having sex.

I advise you to use your ears than using your reeky rectum to listen to Sudanese Cleric Sheik Muhammad Ali Al-Jazouli. He's talking about zion's protocol number one: to control the world uncivil it first through chaos, revolution and war.

Its failing Photoshop can I have some real steroid to take you seriously

Palestine ain't Jewish it's the holy land of Muslims and Christian show one artifact or ruins proves otherwise.

The biblical holy land alas promised land alas Palestine ain' t Israel today its way down south in Jebel Mosa in Saudi Arabia where Israelite artifacts found.

These Israel artifacts where doled by Alsaud kings to Zionists to spread around Israel to mislead the whole world.

Israelis and Palestinian can take their “Which came first, the chicken or the egg?” war to Saudi Arabia where they belong.

“I couldn't agree with Sheikh Awad Alsharkasi more.” I mean “I totally agree with him!” on Palestine nomenclature in Quran.

Since Palestine ain' t mentioned neither in Quran then Quran didn' t promise Jews a thing. Palestine is a British nomenclature ain' t neither neither biblical nor Quranic.

If there' s no Palestine in Quran there' s no Jordan in Quran too. Give both Palestine and Jordan to Jews. Palestine ain' t Quranic issue.

Quran is the creator protocol none-interventionist.

Go back home Sheikh Awad Alsharkasi to Abkhazia where you belong. you ain' t Arab asshole.

Tell your masters the Zionists bleached Nigga who bribed you to fart Sheikh Awad Alsharkasi on WORDPRESS to go back home to Nigeria where they belong.
