

AAS 3400 Library Activity: Group 1

Directions:

1. Using the primary source image below.

LINK: <https://calisphere.org/exhibitions/55/items/ark:/13030/hb7v19p1h4/>

2. Describe the image in a couple of sentences, words, or phrases.

Healthy family picture to promote anti-cigarettes

3. Starting the research process: Answer the following questions to help guide your research:

- a. What story (or stories) can this object help illuminate?

This object is illuminating a happy Cambodian family promoting cigarette-free health.

- b. What data might you need to help tell this story?

Are Cambodian people smoking a lot of cigarettes or experiencing lung cancer?

- c. What would your search terms be? (Hint: Your description of the item may be helpful for this, as will your answer to question A.)

Cigarette smoke, Cambodia, southeast Asian health project, Cambodian family

4. Using the resources we've gone over in the class, find secondary resources.

- a. What data/evidence are they using in the resource you found?

Cambodia has been able to adopt stronger tobacco control measures by improving its tobacco control surveillance systems.

- b. Is this a credible source? Evaluate the item using the [CRAAP Method](#).

- c. How would you use this item to contextualize the primary source you were given?
