Please keep in mind:

- ★ I **only** accept payment over PayPal - no other cashapps!
- ★ I have the right to decline any commission and request that's against my terms of service or any other reason!
- ★ You are allowed to repost your finished commission on your socials but only if you **credit** me as the original artist!
- ★ You are not allowed to sell a commission made for you to a third party or use it in any other commercial way!
- ★ I am allowed to post the finished artwork to my social media accounts - unless agreed or talked about otherwise!
- ★ I am only human and need time, so please don't rush my process!
If you really need it done at a certain date, please discuss it with me beforehand!

What I won't/can't draw:

- ★ anthros
- ★ anything NSFW
- ★ hardcore gore
- ★ self-harm, drug abuse etc.
- ★ anything homophobic, racist etc.
- ★ complicated jewelry

- ★ animals besides cat-like and dog-like ones

Ordering a commission:

- ★ Check my bio to see the status of my commissions! If they're closed, you can still dm me and ask to be put on my waitlist!
- ★ If you are interested in ordering, please **only** do it over my instagram direct messages!
- ★ I need the following information: what type of commission you want, the reference(s) of your character(s), wishes regarding expression and pose, any other special request regarding the artwork and lastly your PayPal-address for the invoice!
- ★ I only start **after** receiving payment!
- ★ I will provide you with updates and the sketch, if you want to! At this point, changes can still be made - so please tell me if you are not happy with something!
- ★ After the artwork is finished, I will provide a high resolution version of it via mail!

Important:

- ★ Payment if **upfront**.
- ★ Payment is made through PayPal invoices so I require your PayPal-address to send said invoice.
- ★ If you purchased a custom design from me, all the rights for that character belong to you and you can do whatever you like with them - exception is the original artwork I did for them. That is still mine and requires **credit**, if you post it somewhere.
