“W-What’s going on?! Why’s the ground breaking apart?” Reshiram gasped. Her tail ignited with fiery energy as she took into the air. “We’ve got to run for it.”

“I concur!” Zapdos screamed, bolting into the air. Lugia and Yveltal followed along, the former clutching Palkia.

“H-Hey! What about me?! I CAN’T FLY!” Kyogre cried.

“Bah, just use Waterfall and lift yourself into the air.” Yveltal spat.

“I... I can’t make a plume of water big enough with all this lava. Please, help me!” She pleaded.

“Bah, fine, whatever.” Yveltal snarled as he swooped down. He tried to extend his tail down but a geyser of lava shot out in front of him, forcing him to come to a screeching halt. “Damn it!” He hissed.

“AAAAAAIIIIIIIAAAAAAAAAAAAH!” Kyogre screamed in pain.

“No, Kyogre hang in there.” Palkia cried. But more geysers of lava spurted up, forcing Team Lustrous away from the mouth of the volcano.

“K-Kyogre... she can’t be...” Lugia gasped.

---

“Nya ha ha ha ha! Feeling the *burn* yet?” Scarlet cackled as jets of fire shot out from the fragmenting ground.

“S-Somebody do *something*! ANYTHING!” Articuno cried out.

“Hrrnnnnfff?” Groudon let out a startled gasp. “I feel... life energy flowing toward me.” He grunted. “This power... it’s... HYYYYYYYYYYYYYAAAAAAAAAAAAAARGH!” He shouted as a massive orb of red light consumed him.

“What in the-?” Scarlet gasped, shrinking backward on her shard of molten rock.

“He’s Primal Reverting! Everyone get onto his back, he can keep us safe from the lava.” Ho-Oh exclaimed. The newly-reverted Primal Groudon dispelled the light and landed safely in the lava. He glared at Scarlet Queen.

“Well, this certainly livens things up a bit, doesn’t it? And here I thought there wasn’t going to be any fun!” She chuckled, although her voice had a bit of an edge as the rock she stood on sunk into the lava.

“Kekekeke! Now is when we have the escaping!” A voice called through the chaos. Scarlet looked over her shoulder and nodded.

“Sorry boys, but we’ll have to save this dance for another time.” Scarlet said. She leaped off her rock and disappeared inside a gold-ringed portal.

“What is going on here?” Articuno growled.

*“There’s no time to explain.”* A telepathic voice cut in.

“Mewtwo?! Is that you?” Dialga asked.

*“Yes. Hang on. I’m teleporting you all.”*

“WHAT?!” Dialga gasped. Before anyone on Team Adamant could protest, they were warped out of the volcano.

---

“That light!” Palkia gasped. “Groudon... he must’ve Primal Reverted using the remains of Kyogre’s life energy.”

“I bet he’s the one that caused the quake.” Reshiram snarled. “That *bastard!* He killed Kyogre just to Primal Revert!”

“Damn, I didn’t think he had it in him.” Yveltal gasped.

“I’ll gut him like a Feebas!” Reshiram hissed. She prepared to fly toward the other side of the volcano but Lugia flew in front.

“No! Don’t go. We have to stick together here.” She cautioned. “If Kyogre got killed, then that means we’re *all* in danger. We can’t lose you too.”

“R-Right...” Reshiram blubbered.

"Oh thank goodness, you guys are all okay!" A cheerful voice called out.

"Huh? That voice... it's Mew!" Zapdos gasped. The group looked over to see Keldeo leap down with Mew riding atop him.

"Whooooooooaaaa there, steed!" Mew giggled, drawing an annoyed huff from Keldeo. "Looks like we're in a bit of a sticky wicket, huh? Here, let me get you guys to safety!" Mew's eyes glowed with psychic energy and soon everyone vanished.

---

"This isn't good." Rayquaza muttered.

"What happened? I can't make heads or tails of anything through all this smoke!" Moltres growled.

"Groudon's Primal Reverted." Rayquaza explained.

"No! That insensitive prick's going to drag out a heat wave. My luscious fur coat is as good as *ruuuuuuuuuineeeeeeeed!*" Suicune sobbed. Zygarde slithered over and slapped her across the face.

"Will you pull yourssssssself together! You are a Legendary. Sssssshow ssssssome backbone." He snarled.

"Oh! Big brothers left. Let's give chase!" Giratina squealed. "Quick, to the Giratinamobile!"

"We don't *have* one of those." Moltres groaned.

"Of course we do!" Giratina squeed. "We just need to inject a little *imagination* into the scene." Giratina's eyes sparkled and he summoned a rainbow from nowhere. The rainbow gave way to wormhole. "Last one in's a rotten Exeggcute!" He rushed into the wormhole.

"I don't think this is a good idea." Suicune mumbled.

"He's chasing after the rest of the Legendaries. If we're going to figure out what that Hoopa guy is up to, we need to give chase!" Moltres said.

"Uggguuuuyyyyyee!" Kyurem babbled before leaping into the rift. The other Team Griseous members followed suit.
