HOW TO ACHIEVE THIS BADGE

GEAR UP (Visit PPPM website for more information)		
NO.		BADGE REQUIREMENT
	A	You must complete four activities on the different aspects of engineering. Write a report about each activity you have carried out.
	B	You must then pick the activity that you have enjoyed the most and produce a poster explaining what this type of engineering is all about.
	C	Show your poster to your tester and describe what it means. You could include: i. An overall description of this type of engineering; ii. How this type of engineering affects your day-to-day life; iii. A famous female engineer in this area; iv. Greatest achievements / challenges for this type of engineering. v. Name one project based on this type of engineering found in Malaysia; and vi. State how this engineering type has benefitted Malaysia.
	Note: The tester shall be a Science teacher or an individual or a warranted Guider who has the expertise in the field concerned. A Guide Leader (Guider) shall not assess the proficiency badge test for members of her own Brownies pack.	

SYARAT-SYARAT UJIAN LENCANA KECEKAPAN *GEAR UP*

Seorang Pandu Puteri Tunas hendaklah:
