Before School/After School Enrichment Program Survey

Guidance Document

Fall 2023

Survey Link:

The survey will close on June 30, 2024

This optional, anonymous survey is intended to collect input on your experience participating in the afterschool or before school math, reading, and science enrichment programs. Your responses are important and will help your school district or charter school improve future enrichment programs like this. Thank you in advance.

A few notes: if you choose to participate, this survey must be completed in one sitting. You will not be able to "save and finish" the survey at a later time.

Once you begin, all questions are required for the responses to be sent to NCDPI; however, participation is optional, and you may exit out of the survey at any time.

Press the "Begin" button at the bottom of this page to begin the survey.

The survey will close at 11:59pm on June 30, 2024
