The information regarding the professional qualifications of your student's classroom teachers/paraprofessional shall include the following:

- I. If the teacher has met state certification/qualification criteria for the grade level and subject areas taught.
- II. If the teacher is teaching under emergency or other provisional status through which state certification/qualification criteria are waived.
- III. The teacher is assigned in the field of discipline of the certification.
- IV. Whether the student is provided services by paraprofessionals, and if so, their qualifications. [ESSA 112(e)(1)(A)(i) – (ii)]

In addition to the above information you will be notified if your student has been taught for four or more consecutive weeks by a teacher who does not meet the applicable state certification requirements at the grade level and subject area in which the teacher has been assigned.
