Cleft means divided. In a cleft sentence, information which could be given in one clause is divided into two parts, each with its own verb. This way you give extra emphasis to part of the sentence

EX: It was Tom who didn't want to come.

#### **TYPE 1:**

#### It Cleft sentences:

### IT + BE (+ NOT AND/OR ADVERB) + EMPHASISED WORD/PHRASE +THAT (WHO) CLAUSE

SENTENCE Mike took Sally to the party on Saturday.

EMPHASIS ON THE SUBJECT It was Mike who took Sally to the party on Saturday.

EMPHASIS ON THE OBJECT It was Sally that Mike took to the party on Saturday.

EMPHASIS ON THE ADVERBIAL It was on Saturday that Mike took Sally to the party.

EMPHASIS ON THE PREP. PHRASE It was to the party that Mike took Sally on Saturday.

#### **TYPE 2:**

#### WH- cleft sentences:

#### WH- Clause + BE + EMPHASISED WORD / PHRASE

EMPHASIS ON THE ACTION What Mike did was (to) take Sally to the party In these sentences WHAT means  $THE\ THING(S)\ THAT$ . The WH-clause must contain a verb. To highlight the action we uses a form of DO in the WH-clause. The highlighted phrase usually contains a bare infinitive or TO + INF. If the highlighted verb is in the continuous or perfect, the form of DO matches it.

The boys are taking Sandy to the match What the boys are doing is taking Sandy to the match.

#### **TYPE 3:**

#### Other cleft sentences

- The thing that I most disliked was the colour of her dress.
- The only thing I won't do is phone her again.
- All you need is love.

### Some other examples:

- 1. The thing that impresses me more than anything elseis your generosity.
