

Suggested revisions response form

Below you will find six spaces for which reviewers have provided feedback and suggestions during the review process. We ask you to fill in this form explaining how the recommendations arising from the review of your work have been followed (or not followed). You can use the format that is most convenient for you within the boxes for each element and each reviewer.

Article title	
----------------------	--

Title and abstract (clarity and structure)	
Reviewer A	
Reviewer B	
Relevance of the proposed topic, originality of the work and literature review.	
Reviewer A	
Reviewer B
