

July 17, 2022

Hi Neighbors! Here is our July LDRMA update.

Financial Update

We now have over \$30K in the bank towards Phase 1b (to continue down White Oak and Beech Ridge and through Bent Pine). For reference, our goal in order to pave is \$68K.

Speed Hump Survey

Speeding is becoming a growing concern to many in our neighborhood. Our first step was to set and post a neighborhood-wide speed limit of 20 MPH, which was completed in January 2022. However, high speed has continued to be a problem, and the LDRMA Board has been asked to gauge interest in installation of speed humps (not bumps) to further deter drivers from speeding. **Please complete the 3-question survey [here](#) by Saturday, July 30.**

NOTE: this initial survey is open to all residents, but any final votes on how to proceed will be limited to current LDRMA members only.

Pledges

If you have not yet pledged and intend to donate, it would be such a help if you would take a few minutes to return your form, linked [here](#).
