#### MORE ABOUT IT:

— at the moment the only previews I have are from my own gif icons, but since this is just experimental I'll be adding some examples in the future. —

— payment would be through **PayPal**, **Payhip** or even gif cards of amazon. —

— *this is not my full-time job*, I have some free time to spend making some resources because I like it, I love making resources for myself so **why not make some money off it?** —

— I have the right to decline any commission I don't feel comfortable with, **please** understand this. —

— payments would be accepted **AFTER** the commission is finished. **you also have 24 hours** after booking the commission to cancel since I'll be downloading the movies/series as soon I get all the details of the commission. If I'm unable to finish the commission I will hit you up through IM or ASK to let you know about a delay or me canceling the whole commission. —
