Good day. My name is Artyom, my in-game nickname is Ups. I've been working in Valorant discipline since the beta-test, best known as a former coach of GMT Esports (5 smokes) and currently looking for a new team. The 5mokes team couldn't find an organization and after all we had to disband.
I have a specialized education in the field of sports and have more than 6 years of experience, which gives me the opportunity to fulfill my duties with a proper approach and understanding of the training processes. Also, I got the position of senior teacher at RUSSIAN STATE UNIVERSITY OF PHYSICAL EDUCATION, SPORT, YOUTH AND TOURISM (SCOLIPE).
My Short list:
- 9 years of classic sports and esports coaching experience
- Few years of T1 & T2 practical experience.
- Latest in-game achievement: Qualified for VRL:CIS Milestone Stage 1
- Full-time availability. (9+ hours everyday)

I'm not a fluent English speaker, but at the moment I've set the task of learning it. I'm looking for the position of Assistant coach or Analyst.
