

Privacy Policy

This Privacy Policy explains how bHaptics Inc. (“We/Our/Us”) collect, use, disclose, transfer and store your personal data as a user of Pioneer: Endless Journey (“App”).

By using Pioneer: Endless Journey, you consent to the terms and conditions of our Privacy Policy. Please read carefully this privacy policy before using Pioneer: Endless Journey and do not use the App if you disagree with any part of the policy.

Information Collection

Information we collect is automatically sent by your devices in the course of accessing our products and services. We collect Oculus Profiles to identify who each user is. If you want to delete your collection data, please contact us at developer@bhaptics.com

Log Data

We use Google Firebase services for statistics. This App will log your in-game data and send it to server. It will include connect date, try count, play time, and in-game decisions. This information can not be personally identifiable by itself.

Security

We know how important your personal information is and we promise you to be clear about the treatment of the information as much as we can. When your information is no longer needed, we will delete it immediately.

Children’s Privacy

This App is not suitable for children under the age of 13, and we do not knowingly collect personal information about children under 13.

Changes to This Privacy Policy

We may change our Privacy Policy by updating. Please visit this page or our website and check for any updates to the Privacy Policy regularly. If there is any update of Privacy Policy we will inform you by posting notice about it on our website.
