### **Member Protection Policy**

The main objective of the GPTC Member Protection Policy is to maintain responsible behaviour and the making of informed decisions by members of this club. It outlines our commitment to a person's right to fair access, to be included, treated with respect and dignity, and to be safe and protected from discrimination,

harassment and abuse. The policy informs everyone involved in our club of his or her legal and ethical rights and responsibilities and the standards of behaviour that are expected of them. It also covers the care and protection of children participating in our club's activities.
